When you need to contact pediatricians, contact AAP News. Each month, more than 46,000 pediatricians, third-year pediatric residents and other subspecialists turn to AAP News for child health information they cannot get elsewhere. With a classified ad, you can speak directly to those readers.

Rates: The one-time cost for placing a classified ad is $120 for 30 or fewer words and $1.50 for each additional word. A $20 discount per month is offered for ads that are published in three or more consecutive issues. The three issues must be purchased at the same time. Ads may be boxed for a one-time cost of $80.

Unlimited ads are accepted under Business Services, General Announcements, Medical Meetings, Physicians Wanted, Positions Wanted, Practices Available, Publications, Real Estate, and Residencies/Fellowships Available.

AAP Policy Reference Guide

The AAP Policy Reference Guide is available from the AAP publications office. The recently updated, nearly 900-page manual contains the full text of AAP policy statements published through December 1993. Policies are indexed by subject, publication date and originating committee. The guide also includes AAP-approved child health model legislation. Copies cost $49.95 for AAP members and $79.95 for nonmembers. To purchase copies, contact: AAP Publications, 141 Northwest Point Blvd., Elk Grove Village, IL 60007; (800) 433-9016.

Florida

Florida Policy

Order your free Child Health Month resource packet by calling the AAP News reader hotline, (800) 433-9016, ext. 6770. Leave a recorded message that includes your name, address and zip code.

TOPIC-SPECIFIC BOOK SURVEY

The American Academy of Pediatrics is in the planning stage of developing a series of topic-specific books on children’s health topics, and we would like your input. Each book would be a moderate-length paperback (100-200 pages) devoted to a single topic (pediatric nutrition, infectious diseases, etc.). Please take a few moments to complete this survey and mail it to: Betsy Strittmann, AAP Division of Public Education, PO Box 927, Elk Grove Village, IL 60009-0927. Thank you for your time and assistance.

Please rank the suggested titles for topic-specific books in the following manner: 1 = high priority, 2 = medium priority, or 3 = low priority.

<table>

Please also list any other topics you feel would be appropriate for topic-specific books.
Texas  

Texas: Mother Frances Hospital needs additional BC/BE Pediatrician to join its Family Care Center. Competitive salary, negative impact benefits package. Northwest Texas is one of the garden spots in the nation with large rivers, lakes, streams, and temperate climate. Texas General is the location. Apply through your Dean. Call: (512) 374-2749.

West Virginia  

Pediatrics practice opportunity: Assume a current hospital-based pediatric practice. Live and work in a quiet, crime-free community. The hospital is located along interstate 77 in Ripley, West Virginia, 27 miles north of Charleston, our state capital. For additional information, contact Susan Griffith, Director of Physician Support, at (304) 732-2731 or Fax CV to (507) 379-1519.

AAP News Ad for advertising content, advertise in your local AAP office, at 800-435-0016, ext. 7677, 800-722-9989.

New York  

Westchester: Established, two-person pediatric practice in Westchester needs to replace a retiring doctor. Seeking BC/BE Pediatrician to join our established practice. Competitive salary, benefits package. New York is one of the most desirable places to live in the U.S. Good schools, high-quality education, clean environment. Contact: Reid Perdue, Mother Frances Hospital, 800 E. Dawson, Tyler, TX 75701. Phone: (903) 443-8349, Fax (903) 531-4234.

North Carolina  

Full-time, BC/BE Pediatrician to join a well-established, 6-person group. This rapidly growing community practice needs an individual who is flexible in location and is 20 minutes from Charlotte, 2 hours from mountains and beaches, and one hour away from the Atlantic coast. 450-bed general hospital located in a small, tight-knit community. Competitive salary, flexible benefits. Office is currently staffed by four pediatricians, and a new associate will be added this year. Practice is currently located in the Charlotte area. Contact: Georgina Lester, M.D., P.O. Box 310, Ossining, NY 10562.

Ohio  

Two new hospital-based positions in Pediatrics have been established at an outstanding 680-bed regional medical center and major teaching affiliate of a medical school. The hospital, located in a medium-sized metropolitan area in Ohio, has many centers of excellence including Neonatology and Perinatology. The opportunities are: Director of the Pediatric ED and Staff Pediatrician. The BC/BE Staff Pediatrician must be an outstanding pediatric generalist or subspecialist with a teaching interest. This group who will define pediatric service for the hospital who will share his/her time between hospital and clinic, will staff the 96-bed pediatric unit and program development/departmental outreach. The BC/BE Staff Pediatrician will serve as an integral member of the pediatric care team, provide direct patient care and coordinate the many services required of some patients. Excellent compensation and benefits package. Please contact: Nancy Heilman, The Fulton Group, 66 W. Germann Road, Suite 207, Plymouth Meeting, PA 19462; telephone (800) 961-1515; Fax (610) 940-1784.

Pennsylvania  

The Geisinger system of health care services is seeking a BC/BE Pediatrician in a position available for Board-Certified or Board-Eligible Pediatricians in its Wayne Hospital, New Castle, Pittsburgh, and Tyrone offices. Geisinger is the largest primary care group in the state. One full-time position in hospitals and 46 patient care offices. Interested individuals should send their inquiries to: John H. Geisinger Children's Hospital Recruitment Department PO-AB, 100 N. Academy Avenue, Danville, PA 17821-3024 or call (800) 845-7112. EOE/AA/EV/7V.

Florida and Virginia: Hospital-based pediatrics as a fulfilling and gratifying career. Very attractive call schedule offering flexibility and generous compensation package. High quality sub-specialty support. Opportunities in all areas of high geographic desirability. Children's Hospital offers an outstanding employee compensation package, including full benefits and professional development. Contact: Recruitment Office, Children's Hospital Services, Inc., 21644 State Rd. 7, Boca Raton, FL 33428, phone (800) 502-5329 or Fax (407) 488-6279. EEO/AA/M/F.

Wisconsin  

Pediatrics — La Salle Clinic, a 150-plus physician-owned, multi-specialty group, is recruiting BC/BE Pediatricians. With 16 clinic locations throughout northeastern Wisconsin, we're one of the state's largest group practices. We are interested in an industry leading salary and benefits package, with an opportunity to add value to shareholder status after two years. Live and practice in a friendly, comfortable family environment, enjoy a strong referral base, and benefit from a growing regional economy and nationally acclaimed academic affiliations. For more information, contact: LaSalle Clinic, Physician Support, P.O. Box 8005, Menasha, WI 54952-8005, (800) 722-9989.
A Balance of Protection and Purity

Unique balance of purified pertussis antigens
- Highly purified pertussis toxoid and filamentous hemagglutinin (FHA) in a 1:1 ratio

Significantly reduced risk of adverse reactions compared to Connaught whole-cell DTP vaccine
- Two to three times fewer local reactions (including tenderness, erythema and swelling)
- Three to five times fewer systemic reactions when given as the fourth dose to children at 15-20 months and as the fifth dose at 4-6 years of age

High levels of immunogenicity
- When given as the fourth dose to children at 15-20 months and as the fifth dose at 4-6 years of age, Tripedia provided:
  - High antibody levels to pertussis toxin and filamentous hemagglutinin
  - High antibody levels to diphtheria and tetanus toxoids

Before administering Tripedia, please see the Contraindications,Warnings, Precautions and Adverse Reactions sections of the complete prescribing information.

Tripedia is indicated for the fourth dose immunization in children at 15 months and for fifth dose immunization in children at 4-6 years of age (up to the seventh birthday).
