Community-based health program grants offered

Grants up to $10,000 are available for pediatricians interested in developing innovative, community-based, child-health programs. Proposals for 1995 CATCH Planning Funds are currently being accepted. For more information, contact Charlotte Zia, AAP CATCH program assistant; (800) 433-9016, ext. 7632.

Country Doctor of the Year Award

The Country Doctor of the Year Award is bestowed on the rural medical practitioner who best exemplifies the spirit, skill and dedication of America's country doctors. It is co-presented by Staff Care, an interim physician staffing service in Irving, Texas, and the Country Doctor Museum in Bailey, North Carolina.

Nominated physicians must practice in a community with fewer than 20,000 people, have at least three years continuous service in the community, provide a high quality of care and show extraordinary dedication to their patients.

Nominations may be submitted by colleagues, patients, relatives and friends of country doctors and must be delivered to the American Academy of Family Physicians by September 30, 1995.

To request a nomination form contact Staff Care at (800) 685-2272.
