The American Academy of Pediatrics 1996 Awards for Excellence in Pediatric Research

Each year two American Academy of Pediatrics Awards for Excellence in Pediatric Research will be made available by the American Academy of Pediatrics and are awarded under the following stipulations:

1. Each Award provides an honorarium of $5,000, a plaque, and travel expenses for the recipient and his/her spouse to and from the Annual Meeting of the American Academy of Pediatrics at which the Award is presented.

2. The Awards shall be given only at times when an individual’s research work is considered outstanding and worthy of Academy recognition.

3. To be eligible for the 1996 Award, nominees must have been graduated from medical school within the twenty year period prior to July 1, 1976.

4. The recipients shall not be limited to members of the Academy, but to physicians in the Americas who have completed a pediatrics residency, or have passed the Pediatric Board Examination, or have fellowship in the Academy, or hold a full-time primary academic position in a Department of Pediatrics for at least two years prior to the nomination, and have demonstrated a continuing commitment to research.

5. The Awards shall be made for research work currently published, preferably coming to fruition or recognition during the past three years.

6. The Awards shall be presented at the Annual Meeting of the Academy by the President of the Academy or his/her designee.

7. Selection of the Awards recipients shall be the sole responsibility of the American Academy of Pediatrics Committee on Awards for Excellence in Pediatric Research and the Board of Directors.

Each year in September, deans of medical schools, heads of departments of pediatric education, and chiefs of hospital staff are informed of the stipulations for the American Academy of Pediatrics Awards for Excellence in Pediatric Research and are asked to submit nominations for these Awards. Individual nominees are encouraged to limit their nomination to one individual.

The Director, Department of Maternal, Child, and Adolescent Health of the American Academy of Pediatrics will prepare and distribute such notices and will receive the nominations for the Awards Committee. All nominations must be received prior to January 31, 1996. The committee will select the Award winners prior to May 1, 1996 so that the announcement may appear in the program for the Annual Meeting.

A nomination letter, nomination form, curriculum vitae, reprints, and five letters of support for each nominee must be submitted to Edgar O. Lebofther, M.D., Director, Department of Maternal, Child, and Adolescent Health of the American Academy of Pediatrics, PO Box 927, Elk Grove Village, IL 60009-0287. To obtain a copy of written stipulations and a nomination form, please call (708) 229-5805, ext. 6785.

20 AAP News/January 1996
When you need to contact pediatricians, contact AAP News. Each month more than 50,000 pediatricians, third-year pediatric residents and other subscribers turn to AAP News for child health information they cannot get elsewhere. With a classified ad, you can speak directly to the number of people you need to reach. Rates: The one-time cost for placing a classified ad is $140 for 30 or fewer words and $2 for each additional word. A $20 discount per month is allowed for ads that are published in three or more consecutive issues. The three ads must be purchased at the same time. Ads may be boxed for a one-time cost of $50.

Blind Box Returns: Available for a $35 service charge per ad inserted. To reply to a box number, send your response to: Box Number, AAP News, Classified Ads, P.O. Box 927, Elk Grove Village, IL 60009-0927.

Classification: Classified ads are accepted under Business Services, General Announcements, Medical Meetings, Physicians Wanted, Positions Wanted, Practices Available, Publications, Real Estate and Residencies/Fellowships Available. Display Classified Ads: Camera-ready and 2-color display classified ads are accepted under General Announcements, Medical Meetings, Physicians Wanted, Positions Wanted, Practices Available and Residencies/Fellowships Available. Contact AAP News for display classified ad sizes and rates.

For more information, contact: Pete Petersen, Classified Ad Coordinator, at (800) 433-9016, ext. 7667. In Illinois, (708) 981-7667. All copy and payments may be sent to: Classified Ads, AAP News, P.O. Box 927, Elk Grove Village, IL 60009-0927.

Advertising Policy: Although the Academy believes these classified ads are from reputable sources, the Academy does not investigate the offers made and assumes no responsibility concerning them. Frequently, it is necessary to modify the wording of classified ads. These changes are generally made in compliance with the regulations of various federal and/or state commissions against discrimination or because they might be interpreted as being unlawful or in conflict with professional standards of medical practice.

Advertisements for employment containing specifications as to race, color, creed, age, religion, gender, ethnic origin or national origin may be unlawful and professionally improper. Accordingly, discriminatory wording is not acceptable in AAP News.

Advertisements for products or services for publication in various advertising classifications which might be interpreted as being unlawful or in conflict with professional standards of medical practice could include: “Complete list of patients’ records for sale,” the offer of rebates or “kickbacks,” wording that could be interpreted as derogatory or defamatory to other physicians, the misrepresentation of skills expected or job requirements. These advertising modifications are made to maintain a classified section that is professionally responsible, lawful, scientific and free of discrimination.

Medical Meetings

February

March

Call for Abstracts: The SOCIETY FOR DEVELOPMENTAL AND BEHAVIORAL PEDIATRICS will conduct its 14th Annual Developmental and Behavioral Abstracts on Workshops September 26-30, 1996 at the Hyatt Hotel’s Wharf in San Francisco, California. Texas
Austin - BC/BE pediatricians needed for rapidly expanding primary care network. Physician-directed and managed. Call 1-4 or better. Salary, bonus, benefits. Priority consideration given to candidate able to relocate in 2-6 months. Call or send CV with cover letter to Jane Vogt, (800)765-3055, 225 S. Central, Ste. 700, St. Louis, MO 63105. FAX (314)256-3009.

ACADEMIC GENERALIST - The division of Community and General Pediatrics at the University of Texas at Houston is recruiting faculty for our busy teaching and research program. Various clinical sites. New problem-based curriculum. Active research in patient education, injury control, health services, and health outcomes. Rank commensurate with experience. Please contact Dr. Virginia Moyer, Department of Pediatrics, 5555 Kelley Street, Houston, TX 77025. Phone: (713)636-4540; FAX (713)636-5844. The University of Texas is an Equal Opportunity Employer. Women and minorities are encouraged to apply.

BC/BE PEDIATRICIAN NEEDED to join a four-pediatrician system-owned practice

For more information, call or send your C.V. to: Marie Royce, Director of Physician Relations Chambersburg Health Services, P.O. Box 6005 Chambersburg, PA 17201 (800) 758-8836 FAX: (717) 267-7769

North Carolina
Immediate opening for BC/BE Pediatrician needed full-time to join rapidly growing medical group. This physician-owned and managed group of 26 primary care physicians serves a diverse managed care population in the greater Charlotte, NC area. Affiliation with major local teaching hospital. Competitive compensation and benefit package, shareholder potential, relocation assistance, modern facilities and a comfortable work schedule make this an ideal practice situation. Call (704)365-5214 for further information or fax CV to Cynthia Orzech (704)365-9595. The Carolina Health Care Group is an equal opportunity employer.

Oregon
NORTHWEST PERMANENTE, P.C., a physician managed multispecialty group providing care for 380,000 members of Kaiser Permanente, is seeking BC/BE Pediatricians for full-time and part-time positions in the Portland/Vancouver area to staff general pediatric clinics (includes urgent care call). Will also consider general pediatricians with NICU/PICU skills to attend at city-wide children's hospital. We offer a stimulating professional environment, a beautiful recreation area with easy access to mountains and beaches, a competitive salary and benefits package including paid malpractice, sabbatical, two pension plans and more. Please forward CV to A.P. Weiland, M.D., Regional Medical Director, Northwest Permanente, P.C., 2701 N.W. Vaughn, Ste 300, Portland, OR 97210-5394. EOE.

Pennsylvania
The Department of General Pediatrics at the Geisinger Medical Center is currently seeking a BC/BE Pediatrician. The opportunity includes teaching, clinical care, management and hospitalization with a wide range of ambulatory and inpatient clinical activities at the new 86-bed Janet Weis Children's Hospital at Geisinger. The hospital is the first acute care children's hospital located in a rural area in the United States. Pediatric services on site include a full complement of pediatric subspecialists and supportive surgical services. The Geisinger Medical Center is the tertiary hub of an integral health care system located in beautiful rural northcentral PA. Enjoy a family centered lifestyle with the opportunity for personal growth. Interested individuals should contact William Malone, M.D., Geisinger PB-AB, 100 N. Academy Avenue, Danville, PA 17822-1528, or call (800)945-7112. CV's may be faxed to (800)622-2515. E.O.E. M/F/V.

Philadelphia Suburb - BC/BE Pediatrician needed to join well established practice. Great growth potential with competitive salary leading to full partnership. Contact (610)277-4214 or (610)277-3479, or FAX (610)277-4160.

Chambersburg
Located three hours east of Pittsburgh and two hours northwest of Washington, D.C., Chambersburg prospers in a beautiful semi-rural setting offering a superior family-centered lifestyle at a reasonable cost of living. Come live where arts and culture abound, where skiing and trout fishing are in your back yard. Public or private schools and local universities provide educational excellence.

GENERAL PEDIATRICIANS- Texas Tech University Health Services Center-El Paso, Department of Pediatrics, is seeking BC/BE general pediatricians for clinical and traditional teaching tracks. We offer an extremely competitive salary, loan repayment, excellent benefits, and myriad cultural activities native to the Texas/New Mexico/Mexico border. For more information, contact Gilbert A. Handal, M.D., Chairman of Pediatrics, Texas Tech University Health Services Center-El Paso, 4800 Alberta Ave., El Paso, Texas 79905, (915)845-6787, Fax (915)845-6976. Texas Tech is an EOE.
Virginia
Riverside Regional Medical Center in Newport News, Virginia, is currently recruiting for a Board Eligible/Board Certified pediatrician to join Riverside Pediatrics, a group of eight physicians. Responsibilities include clinical practice in one of the three newly-constructed Pediatric Ambulatory Centers and inpatient coverage for these patients. Additionally, this group provides the pediatric education for the hospital-based Family Medicine and Transitional Residency programs. This is an excellent opportunity for someone interested in combining a career in clinical and academic medicine while living in one of Virginia's most attractive areas. Contact: Rosa Fusté, M.D., Riverside Pediatric Center, 316 Main Street, Newport News, VA 23601; (804)584-3324.

Wisconsin
CHAIR, DEPARTMENT OF PEDIATRICS, The University of Wisconsin Medical School, Madison, Wisconsin invites applications and nominations for the position of Chair of the Department of Pediatrics and Medical Director of the UW Children's Hospital, to succeed Philip M. Farrell, M.D., Ph.D., who has assumed the position of Dean, University of Wisconsin Medical School. We seek a recognized leader with an outstanding academic background, including strong clinical and research credentials, demonstrated commitment to education and outreach, experience in mentoring junior faculty, and proven leadership and management skills, to continue the strong tradition of the Department of Pediatrics. Candidates must have an M.D. degree or equivalent, be Board Certified in Pediatrics, and must have academic credentials for a tenured faculty appointment at the University of Wisconsin-Madison. Send a letter of application or nomination, with curriculum vitae, to Professor Joseph F. Sackett, Pediatric Chair Search Committee, c/o Margie Martin, 1205 Medical Sciences Center, 1300 University Avenue, Madison, Wisconsin 53706. Fax: (608)255-3268. E-mail: margie.martin@mail.admin.wisc.edu. Application from minorities and women are encouraged. To ensure full consideration, send applications by March 1, 1996. Unless confidentiality is requested in writing, information regarding applicants must be released upon request. Finalists cannot be guaranteed confidentiality. The University of Wisconsin is an equal opportunity, affirmative action employer.

Florida and Virginia - Hospital-based Pediatricians and Neonatologists for fulfilling and gratifying careers. Very attractive call schedules offering participation in all areas of pediatric or neonatology practice. High quality subspecialty support. Opportunities in areas of high geographic desirability. Children's Hospital Services offers an outstanding employee compensation package, including full benefits and professional liability insurance. Contact: Dee Crum, Children's Hospital Services, Inc., 21644 State Road 7, Boca Raton, FL 33428; (800) 300-5232. Fax: (407)488-8279. AAEOE, MF.

1996 Conference on Pediatric Critical Care Transport

Designed for the transport medicine professional, the 1996 Conference features an expert faculty of physician and nursing leaders discussing the most recent advances in transport medicine. A variety of interactive educational formats will be offered so that attendees are actively participating throughout the conference. There will be numerous opportunities throughout the conference to network with your colleagues.

Topics include:
• Managed Care/Reimbursement
• Telemedicine
• Infectious Disease Issues
• Medical Legal Issues
• Sedation/Paralytics during Transport
• New Team Issues Workshop
• Air vs. Ground Transport
• Transport Effects on Team
• Technological Advances
• Team Relationships

Conference features:
• Networking luncheon
• Poster session on “Trips of the Trade”
• Technical exhibits
• “First Annual Transport College Bowl” (Match witts with your colleagues on transport issues!)

Registration fees:
AAP Section Affiliate Member $260
Allied Health Professional $285
Physician $380

Plan now to join us in San Diego for this exciting educational offering.

☐ Please send me a brochure for the 1996 Conference on Pediatric Critical Care Transport

AAP News/January 1996 23
New Robitussin Pediatric Drops provides effective cough/cold symptom relief in a formula that’s antihistamine-free and alcohol-free. It combines the maximum single OTC doses of dextromethorphan (5mg/2.5mL), guaifenesin (100mg/2.5mL), and pseudoephedrine (15mg/2.5mL). And the calibrated oral syringe assures parents of easy, yet accurate dosing.

Trust Robitussin, the #1 recommended name in cough/cold therapy.

©1995 Whitehall-Robins Healthcare
In vitro susceptibility does not necessarily correlate with in vivo results.

YOU TELL TIMMY THAT ONCE HIS MEDICINE’S ALL GONE, HE WON’T BE “DOWN IN THE DUMPS” ANYMORE...

NEW 5-DAY, ONCE-DAILY THERAPY FOR ACUTE OTITIS MEDIA*

The antibiotic solution with predictable results in unpredictable patients

Predictable Coverage of Key Pathogens:
H influenzae, S pneumoniae, and M catarrhalis

Predictable Results:
Proven as effective as Augmentin®

Predictable Convenience:
The only 5-day, once-daily treatment

Predictably Well Tolerated:
Only 0.3% discontinuation due to side effects

The most frequent side effects are diarrhea/loose stools (2%), abdominal pain (2%), vomiting (1%), and nausea (1%). Zithromax® (azithromycin) is contraindicated in patients with known hypersensitivity to macrolides.

* Due to Haemophilus influenzae, Streptococcus pneumoniae, or Moraxella catarrhalis.
† Randomized, double-blind, double-dummy multicenter study in which 553 children with acute otitis media received powder for oral suspension forms of Zithromax® (azithromycin) (10 mg/kg on day 1, 5 mg/kg qd on days 2–5) or Augmentin (40 mg/kg/day in three divided doses for 10 days) and were evaluated for clinical efficacy and safety.

THE PREDICTABILITY YOU NEED IN PEDIATRICS.

Zithromax® (azithromycin for oral suspension)

Please see brief summary of prescribing information on adjacent page.
