In submitting these names of board-certified pediatrics to you, it is understood that academic and pediatric credentials are not in question. Comments are requested concerning possible legal and/or ethical situations of which you might have personal knowledge.

Send any comments on the following list of new applicants to your District Chairperson by February 15.
Parents come to you for answers.

Now you’ve got a good one.

Bridges To Reading

92% of all parents ask their doctor for answers when they suspect their child has a reading problem.*

Now, when your patients ask you for help, you have a tool to recommend: Bridges To Reading.

This comprehensive kit includes:

- 8 booklets filled with strategies to identify, understand, and address reading problems
- 2 audio tapes of the booklets
- 4 Reference guides with additional resources including guides on tutoring and Attention Deficit/Hyperactivity Disorder
- A parent/child activity booklet: “50 Fun Ways to Improve Reading”
- Plus more helpful, hands-on tools.

Call 1-800-471-9545 to order a Bridges To Reading kit for your office and to receive brochures to share with parents

$20 plus tax and shipping

Quantity discounts and scholarships are available.

*Based on results from a 2002 Roger poll.

Are you always putting 324 stamps on your postcards, because that's all you have? Here's a suggestion: Buy a supply of Appar 200 stamps and tuck them into your wallet.

Your Post Office doesn't stock this item?

Then call 1-800-STAMP24.
Ask for item #1018, the Appar stamp, and your stamps will be mailed to you within 3-5 working days.

New York

Oregon

Portland — Pediatrics: Experience the best of the Northwest Practice in a stimulating, professional environment in one of the most successful managed care systems in the country and enjoy a quality lifestyle inherent to the beautiful Pacific Northwest. Our physician-managed multi-specialty group, providing care for 350,000 Kaiser Permanente members, has two positions available for BC/BE pediatricians: one full-time position in general pediatrics (includes urgent care call) and one half-time urgent care position, both in the Portland/Vancouver area. We offer our physicians a competitive salary and benefits package that includes a generous recruitment incentive, professional liability coverage, sabbatical leave and more. For information about these exciting opportunities, please forward CV to: A.P. Weiland, M.D., Regional Medical Director, Northwest Permanente, P.C., 500 N.E. Multnomah, Suite 100, Portland, OR 97232-2089. EOE.

Washington

Pediatrician, Bremerton — We are a multi-specialty clinic of 55+ providers serving Kitsap and Mason Counties with an opportunity for a BC/BE pediatrician. We offer an excellent compensation package in a beautiful geographic area that is oriented toward quality family life. Reply Human Resources, The Doctors Clinic, 2512 Wheaton Way, Bremerton WA 98310. EOE.

Wisconsin

LaSalle Clinic — a growing 170-physician multi-specialty group with 26 locations in northeast Wisconsin, is recruiting one BC/BE pediatrician for its Appleton clinic. We offer an industry leading salary and benefits package, with an opportunity to advance to shareholder status after two years. Live and practice in a friendly, comfortable family environment; enjoy a strong referral base; and benefit from a strong, local economy and excellent educational system. For more information, contact LaSalle Clinic Medical Staffing, P.O. Box 8005, Menasha, WI 54952-8005, (800) 722-9989; e-mail: nsmedstaff@asi.com; Web page: http://www.focot.org/laсalle.

Multi-States

Maryland/Virginia

Primary Care Pediatricians — The George Washington University is seeking primary care pediatricians to work in suburban small group settings which serve as group model practices for its Primary Care Center. Qualified candidates must be board certified in pediatrics (or board eligible if within two years of residency completion). Primary care and managed care experience desired. Opportunities exist for teaching and faculty appointment, as well as pursuit of advanced degree with tuition benefits. Excellent benefits package. Applications accepted and reviewed on an ongoing basis until each vacancy in this academic year is filled. Send CV and cover letter indicating interest in suburban Maryland and/or Virginia; full-time or part-time to: Debbie Eldred, Faculty Recruitment Assistant, Department of Health Care Sciences, The George Washington University Medical Center, Room CB-408, 2150 Pennsylvania Ave., NW, Washington, DC 20037. The George Washington University is an equal opportunity/affirmative action employer.

INTRODUCING

Dimetapp®
Quick Dissolve Tablets

Breakthrough technology that melts instantly on the tongue.

Patented lyophilized tablets make children's compliance easier
New Dimetapp Cold & Allergy Quick Dissolve Tablets have a unique form that dissolves instantly, so they're easy to take. The great grape taste of Dimetapp also makes them a good way to increase children's compliance.

Antihistamine and decongestant efficacy you expect with Dimetapp®
Each tablet contains brompheniramine maleate (1mg) and phenylpropanolamine HCl (6.25 mg), the same trusted cold & allergy medications in Dimetapp Elixir. For dosing convenience, two tablets equal one teaspoon of Dimetapp Elixir.

DIMETAPP.
The most recommended brand of cold medicine in pediatrics.

Use only as directed.
