New Applicants

Dear Academy Fellow:

In order to fulfill the admission requirements of AAP Bylaws, you are requested to: 1) carefully review the following list of new applicants for Academy membership and 2) rate your reactions directly to your District Chairperson, whose name and address is at the end of this list.

In submitting these names of board-certified pediatrics to you, it is understood that academic and pediatric credentials are not in question. Comments are requested concerning possible legal and ethical situations of which you might have personal knowledge. Send any comments on the following list of new applicants to your District Chairperson by December 15.

“I’d thought nothing could wake our six year old son. But when a urologist recommended the Potty Pager, we decided to give it a try. Three weeks later our son’s bedwetting problems were over!”

Jan Van Hoff

Bedwetting! Why just “control” it when YOU CAN CURE IT! With the WIRELESS alarm than ALERTS THE BEDWETTER... not the whole house!

The Potty Pager teaches bed wetters to respond normally to bladder fullness. It uses a tactile alarm, much like a silent business pager. It is 100% safe, runs on two "AA" batteries, and costs just $49.95 + S&H. It comes with a 30 day no-questions guarantee. We’re that sure it’ll work!

1989 E. Mead Johnson Award for Research in Pediatrics
Call for Nominations
Nominations are invited for the 1989 E. Mead Johnson Award for Research in Pediatrics. Each of the two recipients will receive an honorarium of $10,000 plus travel expenses to attend the 1989 annual meeting of the Pediatric Academic Societies (APS/SPR/SSPA) in New Orleans, Louisiana where recipients will present their research.

Eligibility for the 1989 award:
- Nominees must have received their first doctoral degree in 1978 or later. Exceptions to the stipulation may be made by the committee for individuals who have interrupted their research careers for 2 or more years but who are otherwise eligible.
- Limited to investigators in the Americas.
- Research must be related to pediatrics and published recently, perhaps coming to fruition or attaining recognition during the past few years.
- Candidates are nominated by their Department Chair, past E. Mead Johnson Award recipients, any scientific colleague or members of the pediatrics academic societies.

The deadline for receipt of nominations is December 5, 1988. For further information/nomination forms contact:

Michigan
BE/BC Pediatrician needed to join a BC pediatrician, at well-established, busy practice in Escanaba, Mich, population 15,000, located on lake Michigan. You would be expected to see an estimated 25-30 patients per day and be comfort-
able with neonatal resuscitation, as there will be nursery coverage. Many intensive procedures are referred out to hospitals in Green Bay, Milwaukee, and Marquette, Wis. The office is in the $6 million Medical Center that opened in January 1995 and is connected to OSF St. Francis Hospital, a 110-bed facility, located on an 82-acre wooded site. Most lab and x-ray work is done in the hospital, however there is casting equipment in the office. Escan-
aba's reputation seems unfounded with the Escanaba Municipal Water Plant, and more. There are 412 acres of parks and recreation facilities, picnic grounds, play-
grounds, soccer and baseball fields, football fields, and golf courses, and a community recreation center for swimming and other activities.

Pennsylvania

Penn State Geisinger Health System in central Pennsylvania is recruiting for primary care pediatricians with strong educational and mentoring skills for clinical practice opportunities in State College, Lock Haven and Mont-
ours. These practices refer to our Danville-based Children's Hospital and General Pediatrics Department. Opportu-
nities for office based student/resident rotations, shared, night, weekend and call, hospital attending opportunities. And, at one of our community campuses continuing educa-
tional opportunities make these positions particularly appealing. Penn State Geisinger Health System is a physician-led, not-for-profit health care organization. The system provides tertiary, primary and preventative care to more than 3 million people through a system of hospitals.

CLASSIFIED ADVERTISING POLICY

When you need to contact pediatricians, contact AAP News. Each month more than 53,000 pediatricians, pediatric specialists, third-year pediatric residents and other subscribers turn to AAP News for child health information they cannot get elsewhere. With a classified ad, you can speak directly to those readers.

Although the Academy believes these classified ads are from re-
putable sources, the Academy does not investigate the offers made and assumes no responsibility concerning them.

Occasionally, it is necessary to modify the wording of classified ads. These changes are generally made in compliance with the reg-
ulations of various federal and state commissions against discrimination or because they might be interpreted as being unlawful or in conflict with accepted professional standards of medical practice.

These advertising modifications are made to maintain a classified section that is professionally responsible, lawful, scientific and free of discrimination.

Chair, Department of Pediatrics
Wright State University School of Medicine
Dayton, Ohio

Wright State University School of Medicine, a community-based institution, seeks a visionary leader with considerable academic expe-
rience in the role of Department of Pediatrics upon retirement of the current chairman. Located in the City of Dayton, Ohio, with an intimate working relationship with the Department of Pediatrics at Wright Patterson Air Force Base, the successful candidate will have responsibilities for undergraduate and graduate education, faculty development, and laboratory research. Opportunities exist for the development of new clinical programs and expansion of ambula-
tory education. The Department seeks a candidate with strong interpersonal and clinical skills, a commitment to education, and a record of scholarly activity.

The Chair must qualify for a faculty appointment at the associate professor or professor level, be board-certified in Pediatrics, and licenseable to practice in Ohio. Prior medical school experience with community- and clinical facilities and government institutions is desir-
able. Applications and nominations should be sent to:

Barbara L. Schuster, M.D., M.A.C.P.
Chair, Department of Pediatrics Search Committee
Wright State University School of Medicine
28 E. Apple Street, CHE Blgd. 2nd Floor
Dayton, Ohio 45409.

All applications received by December 1, 1997 will be considered. If the posi-
tion is not filled with the initial responses, applications will continue to be considered until the position is filled. Wright State University is an Affirmative Action/Equal Opportunity Employer.

Pediatric Hematologist/Oncologist

The Department of Pediatrics at Gunderson Clinic, Ltd., is currently recruiting a full-time Pediatric Hematologist/Oncologist for summer 1997. Our current Pediatric Hematologist/Oncologist will be retiring December 31, 1997. We are affiliated with the Children's Cancer Group and we are a funded satellite center of the Great Lakes Hemophilia Center. A university academic affiliation for this position is available.

The Department of Pediatrics consists of seven pediatricians, three nurse practitioners, three neonatal nurse practitioners, one physician assistant and a nurse clinician in pediatric hematology/oncology. Subspecialties include pediatric orthopedic surgery, pediatric neurology, pediatric surgery, pediatric ophthalmology, pediatric anesthesia, pediatric intensive care and neonatology.

Gunderson Clinic, Ltd., is a multi-specialty group practice with over 300 physicians. Our main campus is attached to an affiliated 402-bed acute care hospital with a Level III Neonatal ICU and a Pediatric ICU. The Gunderson Clinic, Ltd., includes 36 regional community clinics in western Wisconsin, eastern Minnesota and northeastern Iowa.

We offer competitive salaries and excellent fringe benefits. Interested candidates should send a letter of application and curriculum vitae to Frank Perez-Quezada, Manager, Recruitment, Retention and Resource Planning, Gunderson Clinic, Ltd., 1836 South Avenue, La Crosse, WI 54601 or call 1-800-362-9557, extension 6325.
