Tennessee
The heartbeat of America! Base of $150,000 plus a sign-on bonus and loan assistance. There are two choices: join another physician or an established group practice with minimal call. Contact Mary Kay Ballack, Weatherby Health Care, (600) 965-9001, ext. 138, or write 3230 West Commercial Blvd., Ft. Lauderdale, FL 33305.

Texas
Chair of Pediatrics — The University of North Texas Science Center at Fort Worth is actively seeking a Chair responsible for leading the department in teaching, patient care, and research activities. Applicants must be residency-trained, board-certified and licensable in Texas. Acceptance and review of applications will begin immediately and continue through August 31, 1997. Salary is commensurate with experience and includes an excellent benefits package. Applicants should submit a curriculum vitae, a letter of intent which addresses their qualifications, and three professional references to: Bernard R. Rubin, D.O., Search Committee Chair, Department of Medicine, University of North Texas Health Science Center at Fort Worth, 3500 Camp Bowie Blvd., Fort Worth, TX 76107-2699. An EOE/Affirmative Action Institution.

Virginia
Eastern Virginia Medical School/Children’s Hospital of The King’s Daughters — recruiting pediatricians for delivery room—level, nursery coverage, ambulatory clinic, and urgent walk-in clinic. Flexible scheduling and range of clinical duties. Competitive salary, benefits. Contact Arno Zaritsky, Interim Chairman at (757) 668-7486, or Edward Karotkin, Director, Neonatal-Perinatal Medicine, at (757) 668-7486.

Overseas
Doctors of the World — seeks Neonatologist for one- or two-month assignment in Kosovo, former Yugoslavia, summer or fall of 1997, training and technical assistance. Salary, transportation, and housing provided. Fax resume to Recruitment, (212) 226-7028 or call (212) 226-9195.

Research Information Wanted
Adverse events in children following exposures to insect repellents containing DEET. PEGUS Research, Inc., is studying adverse events following exposures to DEET. We are seeking information from pediatricians regarding patients who may have experienced neurological, systemic or unusual symptoms. Parents of patients will be asked to participate in a telephone interview. For additional information, please call Dr. Brent Page or Karen Bateman, R.N., at PEGUS Research, (800) 949-0989.

Research Grant Announcement
The American Academy of Pediatrics and the American Heart Association are pleased to announce the availability of the 1997 Neonatal Resuscitation Program Research Grant. This program provides an opportunity to support research that further knowledge in the area of neonatal resuscitation. These funds may also be used to generate pilot data to allow the investigator to develop the basis for an application for independent research support through conventional granting mechanisms. A total of $50,000 has been allocated for grants to be awarded in 1997, with no applicant receiving more than 50% of the funds.

Researchers from US and Canadian institutions are invited to apply.
Applications are due August 1, 1997. Awards will be announced in December 1997 for 1-year projects to begin in January 1998.
To obtain the 1997 Neonatal Resuscitation Program Research Grant Program Guidelines and Application, please contact:

“T’d thought nothing could wake our six year old son. But when a urologist recommended the Potty Pager, we decided to give it a try. Three weeks later our son’s bedwetting problems were over!”

Jan Van Hoff

Bedwetting! Why just “control” it when YOU CAN CURE IT! With the WIRELESS alarm than ALERTS THE BEDWETTER... not the whole house!

The Potty Pager teaches bed wetters to respond normally to bladder fullness. It uses a TACTILE alarm, much like a SILENT BUSINESS PAGER. It is 100% SAFE, runs on two “AA” BATTERIES, and costs just $49.95 + S&H. It comes with a 30 DAY NO-QUESTIONS GUARANTEE. We’re that sure it’ll WORK!

For complete info: 800-397-6573 or 303-440-8517

IDEAS FOR LIVING, INC. BOULDER, COLORADO 80304

POTTY PAGER because life’s challenging enough without a bedwetting problem!
CHILD HEALTH MONTH
CELEBRATE IN OCTOBER AND THROUGOUT THE YEAR WITH THESE FUN PRODUCTS
