Dear Academy Fellow:

In order to fulfill the admission requirements of AAP Bylews, you are requested to:
1) carefully review the following list of new applicants for Academy membership, and relay your reactions directly to your District Chairperson, whose name and address is at the end of this list.

In submitting these names of board-certified pediatricians to you, it is understood that academic and pediatric credentials are not in question. Comments are requested concerning possible legal and or ethical situations of which you might have personal knowledge.

Send any comments on the following list of new applicants to your District Chairperson by June 15.
“We do the Right Thing... Well.”

The Sisters of the Third Order of St. Francis (OSF) have been providing medical care for residents of Illinois, Iowa and Michigan for more than 120 years. Their corporation, now known as OSF HealthCare, includes seven hospitals, two extended care facilities, an insurance company with its own managed care products, more than one dozen affiliated companies providing medical products and services, and OSF Medical Group, a multi-specialty physician group with more than 220 providers in its multi-state service area. We now have general pediatrics opportunities in:

Peoria, Illinois  Escanaba, Michigan

For more information, please contact:
Wendy Bass at (800) 462-3621; Fax (309) 685-2574; Email: wendy.bass@osfhealthcare.com

“I’d thought nothing could wake our six year old son. But when a urologist recommended the Potty Pager, we decided to give it a try. Three weeks later our son’s bedwetting problems were over!”

Jan Van Hoff

Bedwetting! Why just “control” it when YOU CAN CURE IT!

With the WIRELESS alarm than alerts THE BEDWETTER... NOT the whole house!

The Potty Pager teaches bedwetters to respond normally to bladder fullness. It uses a tactile alarm, much like a silent business pager. It is 100% safe, runs on two “AA” batteries, and costs just $49.95 + S&H. It comes with a 30 day no-questions guarantee. We’re that sure it’ll work!

CLASSIFIED ADVERTISING POLICY

When you need to contact pediatricians, contact AAP News. Each month more than 53,000 pediatricians, pediatric specialists, third-year pediatric residents and other subscribers turn to AAP News for child health information they cannot get elsewhere. With a classified ad, you can speak directly to those readers.

Although the Academy believes these classified ads are from reputable sources, the Academy does not investigate the offers made and assumes no responsibility concerning them. Occasionally, it is necessary to modify the wording of classified ads. These changes are generally made in compliance with the regulations of various federal and/or state commissions against discrimination or because they might be interpreted as being unlawful or in conflict with accepted professional standards of medical practice.

These advertising modifications are made to maintain a classified section that is professionally responsible, lawful, scientific and free of discrimination.

CLASSIFIED ADS

1, and continue until position is filled. Anticipated start date is July. Interested candidates should send letter and CV to Debbie Eiland, Department of Health Care Sciences, The George Washington University, Room 28-415, 2150 Pennsylvania Ave., NW, Washington, DC 20037. The George Washington University is an affirmative action/equal opportunity employer.

Oregon

Portland/Vancouver and Salem — Experience the best of the Northwest Practice in a stimulating professional environment in one of the most successful managed care systems in the country and enjoy a quality lifestyle inherent to the beautiful Pacific Northwest. Our physician-managed multispecialty group, providing care for 430,000 Kaiser Permanente members, has full-time and part-time positions available for BC/BE pediatricians at our medical offices in Portland/Vancouver and Salem. In addition to general pediatrics, the practice will include urgent care call. We also have a part-time position in the Portland area that would share responsibility for covering our urgent care clinics after-hours and weekends. We offer our physicians a competitive salary and a benefits package which includes a generous retirement program, professional liability coverage, sabbatical leave and more. For information regarding these exciting opportunities, please forward CV to A. P. Clark, Director of Professional Resources, Northwest Permanente, P.C., 500 NE Multnomah, Suite 100, Portland, OR 97232-2099; (800) 813-3763. EOE.

Pennsylvania

Penn State Geisinger Health System — is currently seeking BC/BE pediatricians to join its multispecialty group practice in State College, Penn. Join two other pediatric physicians in this busy medical practice. Call is shared with nearby sister clinic and is 1:5. Administrative opportunity available if desired. State College, located in the heart of Pennsylvania, is home to Penn State University. The area offers a tremendous amount of educational, cultural and recreational activities to enjoy. State College provides an excellent business climate and offers a superior quality of life. We offer a competitive salary and excellent benefit package. For additional information, please contact: Penn State Geisinger Professional Staffing (PP-AB), 100 North Academy Ave., Danville, PA 17822-1528. Phone (800) 845-7112; fax (800) 622-2515. E.O.E. M/F/H/V.

Virginia

Richmond area — Part/full-time BC/BE pediatrician for dynamic, growing practice. Competitive salary with eventual partnership. Hospitals with full service pediatrics, NICU, PICU. **SAVE THE DATE**

September 13-15, 1998 • Salt Lake City, Utah

The Second National Conference on Shaken Baby Syndrome will bring together multidisciplinary experts on Shaken Baby Syndrome as well as family members of victims to share the most current information about this complex crime. A comprehensive program will include presentations on medical, legal, investigative, therapeutic, and preventive aspects of Shaken Baby Syndrome. Profiles of victims and perpetrators, family impact issues, and problems of re-traumatization of families will also be addressed.

The United National Coalition for Shaken Baby Syndrome at Children’s Medical Center, the Child Abuse Prevention Center of Utah and SBS Prevention Plus. Supporting organizations include: the American Academy of Pediatrics; the National Association of Children’s Hospitals and Related Institutions (NACHRI); Brain Injury Association: Violence and Brain Injury Institute; National Center on Child Abuse and Neglect; and Prevent Child Abuse.

This conference will benefit physicians, nurses, coroners, law enforcement officers, attorneys, judges, child protection workers, child advocates, death investigation officers, child care licensing agencies, therapists, public policy administration, child abuse researchers, child abuse prevention specialists, teachers, and family members of Shaken Baby Syndrome victims.

For more information, please call Shaken Baby Syndrome at Children’s Medical Center, at (800) 393-3366, or by e-mail at capente@ix.netcom.com.
The antibody solution with predictable results in unpredictable patients

Predictable Coverage of Key Pathogens:
H influenzae, S pneumoniae, and M catarrhalis

Predictable Results:
Proven as effective as Augmentin®

Predictable Convenience:
The only 5-day, once-daily treatment
