Dear Academy Fellow:

In order to fulfill the admission requirements of AAP Bylaws, you are requested to:

Carefully review the following list of new Fellows for Academy membership, and relay your reactions directly to your District Chairperson, whose name and address is at the end of this list. In submitting these names of board-certified pediatricians to you, it is understood that academic and pediatric credentials are not in question. Comments are requested concerning possible legal and/or ethical situations which you might have personal knowledge. Send any comments on the following list of new Fellows to your District Chairperson.

“My pediatrician friends told me alarms are useless. Now (thanks to the Potty Pager) I know they were wrong.”

Eugene Leiken, MD, Israel

“Our success rate with the Potty Pager is 75 to 80 percent.”

Rudolph Valentini, MD, pediatric nephrology, Children’s Hospital, Detroit

“Our six-year-old daughter was soaking the bed nightly. The third week on the Potty Pager it was like ‘poof’ – she was dry.”

The Noyes Family

“My ‘comatose’ nine-year-old had never had a dry night. In just six weeks (with the Potty Pager) he started sleeping dry through the night. Frankly, this is pretty miraculous.”

Sunny Rigby

“My six-year-old had never had a dry night. Within two weeks, he was sleeping dry through the night. I had no idea how successful this would be.”

Elaine Fournier

The Potty Pager teaches bedwetters to respond normally to bladder fullness. It uses a tactile alarm, much like a silent business pager. It is 100% safe, and costs just $56.00 + S&H. It comes with a 30 day no-questions guarantee.

NEONATOLOGIST

The Department of Pediatrics at Gundersen Lutheran Medical Center in La Crosse, Wisconsin, is seeking a BC/BE Neonatologist to work in our 13 patient NICU/4 patient PICU. There are currently four physicians (one neonatologist, one PNICU physician, one PICU physician, and one general pediatrician) who cover the PNICU service. Neonatal nurse practitioners help cover call and do helicopter and ground transports.

The Department of Pediatrics has 20 physicians, six PNPs, four NPs, and one PA. Our pediatric subspecialty areas include hematology/oncology, orthopaedics, asthma/allergy/immunology, ophthalmology, surgery, neonatology, neurodevelopment, neurology, genetics, gastroenterology, and pediatric ICU. This position can be part time or full time (preferably with another pediatric specialty such as pulmonology or general pediatrics). Gundersen Lutheran Medical Center is the western campus of the University of Wisconsin Medical School.

Gundersen Lutheran is a large integrated health system where over 400 medical, dental and associate staff practice together. La Crosse is a city with a metropolitan population of 100,000. Safe neighborhoods, excellent schools, affordable housing, exceptional four season recreational activities, and diverse cultural activities converge for a great lifestyle in this family-friendly region.

INTERESTED CANDIDATES SHOULD CONTACT:
