NEW FELLOWS

Dear Academy Fellow:

In order to fulfill the admission requirements of AAP Bylaws, you are requested to:

Carefully review the following list of new Fellows for Academy membership; and relay your reactions directly to your District Chairperson, whose name and address is at the end of this list. In submitting these names of board-certified pediatricians to you, it is understood that academic and pediatric credentials are not in question. Comments are requested concerning possible legal and/or ethical situations which you might have personal knowledge.

Send any comments on the following list of new Fellows to your District Chairperson.

D In the

Our six-year-old daughter was soaking the bed nightly. The third week on the Potty Pager it was like ‘poof’ – she was dry.”

The Noyes Family

“My ‘comatose’ nine-year-old had never had a dry night. In just six weeks (with the Potty Pager) he started sleeping dry through the night. Frankly, this is pretty miraculous.”

Sunny Rigby

“My six-year-old had never had a dry night. Within two weeks, he was sleeping dry through the night. I had no idea how successful this would be.”

Elaine Fournier

The Potty Pager teaches bedwetters to respond normally to bladder fullness. It uses a tactile alarm, much like a silent business pager. It is 100% safe, and costs just $56.00 + S&H. It comes with a 30 day no-questions guarantee.

For complete information call: 800-497-6573 or 303-440-8517

Or visit our web site: www.pottypager.com

American Academy of Pediatrics
DEDICATED TO THE HEALTH OF ALL CHILDREN™
PEDIATRIC GASTROENTEROLOGIST

The Department of Pediatrics at Gundersen Lutheran is seeking a full-time pediatric gastroenterologist. The GI department has seven board-certified adult gastroenterologists and a state-of-the-art GI procedure lab available.

The Department of Pediatrics has 20 pediatrics, six PNP’s, four NNP’s, and one PA. Our pediatric subspecialty areas include hematology/oncology, orthopedics, cardiology, asthma/allergy/immunology, ophthalmology, surgery, neonatology, neurodevelopment, neurology, genetics, and pediatric ICU. The pediatric inpatient service also includes a twelve week NICU, a four patient PICU, and a 20 patient pediatric inpatient service.

We offer an excellent compensation/benefits package, including relocation expenses and continuing education opportunities. Interested candidates should contact Gale Kreibich, Medical Staff Development, Gundersen Lutheran, 1910 South Ave., La Crosse, WI 54601 at (800) 362-9567, Ext. 56863, Email: gkreibich@gundluth.org or Dr. Richard Strauss, Chair, Dept. of Pediatrics, Gundersen Lutheran, 1836 South Ave., La Crosse, WI 54601 at (800) 362-9567, Ext. 52809, Email: rstrasus@gundluth.org.

Visit our website: www.gundluth.org

We support a safe, healthy and drug-free work environment through background checks and controlled substance screening. EOE/AA

NEONATOLOGIST

The Department of Pediatrics is seeking a BC/BE Neonatologist to work in our 12 patient NICU. There are currently four physicians (one neonatologist, one PICU physician, and one general pediatrician) who cover the NICU service. Three of the doctors cover the PICU service. PICU coverage would not be a requirement, but would be an option. Neonatal nurse practitioners help cover NICU call and do helicopter and ground transports.

The Department of Pediatrics has 20 pediatrics, six PNP’s, four NNP’s, and one PA. Our pediatric subspecialty areas include hematology/oncology, orthopedics, cardiology, asthma/allergy/immunology, ophthalmology, surgery, neonatology, neurodevelopment, neurology, genetics, and pediatric ICU. We are actively recruiting for a Pediatric Gastroenterologist.

Gundersen Lutheran Health System is the western campus of the University of Wisconsin Medical School and School of Nursing.

INTERESTED CANDIDATES SHOULD CONTACT:
