NEW FELLOWS

Dear Academy Fellow:

In order to fulfill the admission requirements of AAP Bylaws, you are requested to:

Carefully review the following list of new Fellows for Academy membership; and relay your reactions directly to your District Chairperson, whose name and address is at the end of this list. In submitting these names of board-certified pediatricians to you, it is understood that academic and pediatric credentials are not in question. Comments are requested concerning possible legal and/or ethical situations which you might have personal knowledge.

Send any comments on the following list of new Fellows to your District Chairperson.

Positions Wanted

New York — I am a Pediatrician looking for a full or part time clinic/practice setting in the New York City area. Please call Susan at 212-717-9905.

Mid-Atlantic
Growing practice in beautiful Southwest Pennsylvania is seeking a BC/BE pediatrician. We have a great office staff and diverse patient population. Each physician takes one day off during the week. Newborn nursery and limited inpatient work. Competitive salary and benefits. Call Shirley at (724) 439-4479.

Midwest
Expanding neonatology opportunity in the Midwest
Enjoy a new, modern hospital with a built-in referral base. To meet demand, we are seeking to add a second neonatologist to this existing busy practice. The seven-bed NICU is expandable up to fifteen beds. The level II plus neonatal unit admits between 150 and 170 babies per year. Active transport team provides an average of forty transports per year. Call is anticipated to be one in three or four. Candidate should be BC/BE in pediatrics and neonatology fellowship trained. Dakota Clinic is a large, physician-owned multispecialty group of 175 based in Fargo, North Dakota. The organization has 22 regional offices in western Minnesota and eastern North Dakota. A competitive salary and full benefits are provided. Fargo is a mid-size metropolitan university community of 160,000. We feature growing cultural diversity, great schools and low crime. Minnesota lakes and ample outdoor activities are just minutes away. For a detailed practice description and community profile, please call Dick Reis, Physician Recruitment Manager, at (800) 882-7310 or fax your CV to (701) 364-3374, or e-mail dreis@dakdl.com.

NEW arrivals from Nestlé.

The only partially hydrolyzed, routine soy formula. Enhanced with DHA and ARA.

The only partially hydrolyzed, calcium-enriched formula for older infants. Enhanced with DHA and ARA.

Now there are 2 more reasons to recommend the unique benefits of GOOD START™ SUPREME, the only line of formulas partially hydrolyzed for easy digestion. The result: a positive feeding experience – right from the start.

Questions or comments? Call the Nestlé Medical Professional Information Line at 1-800-628-BABY (2229). Our nutrition experts are ready to assist you from Monday to Friday, 8:00 AM to 8:00 PM Eastern Time.

Breastfeeding is best. But when formula is chosen, recommend GOOD START™ SUPREME formulas right from the start.
