HEALTH ALERTS

The following products are being recalled because they may contain high levels of lead, which is toxic if ingested by young children and can cause adverse health effects.

Cosmetics accessory bags

Units: About 945,000

Importer: Bonne Bell Co., of Lakewood, Ohio

Hazard: The metal clasps on the handle of the accessory bags contain excessive levels of lead.

Description: The plastic accessory bags came with an assortment of cosmetic products, which are not part of this recall. For a list of recalled model names and UPC numbers, visit www.cpsc.gov.

Sold at: Retail stores nationwide and Bonne Bell's Web site from September 2007 through August 2008 for about \$9.

Remedy: Contact Bonne Bell for a replacement bag.

Contact: Call 866-288-8643, e-mail quality@bonnebell.com or visit www.thebonnebellcompany.com/recall/.
