HEALTH ALERTS

The U.S. Consumer Product Safety Commission (CPSC) has announced recalls of the following products. Consumers should stop using recalled products unless otherwise instructed. For a complete list of recalled products, visit www.cpsc.gov.

Super magnets
Units: About 2,800
Importer: Man’s Trading Co., of Brisbane, Calif.
Hazard: The magnet attached to the bottom of a small toy panda can detach. If swallowed or aspirated by young children, the magnets can attract each other internally and cause intestinal perforations or blockages, which can be fatal.
Description: The toys resemble panda bears and were sold eight to a package.
Sold at: Dollar and gift stores nationwide from September 2005 through November 2007 for about $1.
Remedy: Return the toys to the store where purchased for a refund.
