

## CME

# Review adolescent medicine topics at AM:PREP in San Antonio

Enjoy the cultural history, character and charm of San Antonio, Texas, while attending AM:PREP, an intensive review of adolescent medicine. The continuing medical education course for subspecialists and primary care physicians will be held Feb. 3-6, 2010, at the Grand Hyatt San Antonio.

The course includes plenary lectures, small-group breakout sessions and case-based presentations on topics such as cardiology, dermatology, law and ethics, mental health, nutrition and eating disorders, reproductive health and social/emotional development. A special panel discussion will be held on Tackling Tough Teen Problems in the Office. Attendees are urged to bring questions and issues they would like to discuss.

Course highlights and faculty include:

- *Abnormal Pubertal Growth and Development*, with Gary L. Francis, M.D., Ph.D., FAAP, professor and chair of endocrinology, Virginia Commonwealth University, Richmond;
- *Obesity and Treatment*, with Stavra A. Xanthakos, M.D., M.S., FAAP, assistant professor of pediatrics, University of Cincinnati;

- *Confidentiality*, with Elizabeth M. Alderman, M.D., FAAP, professor of clinical pediatrics, Division of Adolescent Medicine, Albert Einstein College of Medicine, Bronx, N.Y.;
- *Sexual Assault Among Adolescents*, with Gale R. Burnstein, M.D., M.P.H., FAAP, associate professor of pediatrics, SUNY at Buffalo School of Medicine and Biomedical Sciences, Buffalo, N.Y.;
- *Coding for Adolescent Medicine*, with Michael A. Spaulding-Barclay, M.D., M.S., FAAP, assistant professor of pediatrics, University of Missouri-Kansas City School of Medicine;
- *Common and Uncommon Infections in Teens: From EBV to HIV*, with Mary Anne Jackson, M.D., FAAP, chief, Section of Pediatric Infectious Diseases, Children's Mercy Hospitals & Clinic, Kansas City, Mo.;
- *Mood Disorders, Suicidality and Psychopharmacology*, with Jeff Q. Bostic, M.D., Ed.D., associate clinical professor of psychiatry, Harvard Medical School, Boston; and
- *ADHD and Learning Problems in Adolescents: Case Studies*, with E. Jay Soileau Jr., M.D., FSAM, assistant professor of family medicine, Louisiana State University Health Sciences Center New Orleans at Lake Charles, La.

Participants can earn a maximum of 29 AMA PRA Category 1 Credits.
