Keep current with NeoPREP in Newport Beach

Head to sunny Newport Beach, Calif., for NeoPREP, an intensive review of neonatology, Feb. 6-12 at the Newport Beach Marriott Resort and Spa.

This Pediatrics Review and Education Program (PREP) course helps prepare for initial subspecialty certifying examinations and Maintenance of Certification examinations administered by the American Board of Pediatrics. It also is for pediatricians, pediatric subspecialists and allied health professionals seeking an in-depth review of neonatology. NeoPREP emphasizes evidence-based clinical decision-making and science for the clinical practice of neonatology.

Course highlights and faculty include:

- *Keynote: The Promise of Stem Cell Therapy*, with Evan Yale Snyder, M.D., Ph.D., FAAP, professor and director, Stem Cell & Regeneration Program at Burnham Institute for Medical Research, La Jolla, Calif.;
- *Nourishing the ELBW Infant*, with David H. Adamkin, M.D., FAAP, neonatologist at University of Louisville, and Josef Neu, M.D., FAAP, professor of pediatrics at Shands Healthcare in Gainesville, Fla.;
- *Assessment of Fetal Well Being*, with George VanBuren, M.D., associate professor in the Department of Reproductive Medicine at University Hospitals of Cleveland;
- *Conditions Affecting Maternal Health During Pregnancy*, with Mildred Ramirez, M.D., FACOG, associate professor of obstetrics, gynecology and reproductive sciences at University of Texas Health Science Center, Houston;
- *Erythrocyte Disorders & PRBC Transfusions*, with Robert Dennis Christensen, M.D., FAAP, director of research at McKay-Dee Hospital, Ogden, Utah;

- *Central Nervous System I-Preterm*, with Steven P. Miller, MDCM, MAS, FRCPC, associate professor of pediatrics at University of British Columbia, Vancouver, B.C.;
- *Ethics at the Margin of Viability*, with John J. Paris, S.J., Ph.D., professor of bioethics at Boston College, Chestnut Hill, Mass.;
- *Congenital Heart Disease I and II*, with Sarah Tabbutt, M.D., Ph.D., associate professor of pediatrics at University of California, San Francisco;
- *Pharmacokinetics*, with Kelly Cant Wade, M.D., FAAP, assistant professor of clinical pediatrics at Pennsylvania Hospital, Philadelphia; and
- *Neurodevelopmental Outcomes*, with Deanne Wilson-Costello, M.D., professor of pediatrics at Rainbow Babies & Children's Hospital, Cleveland.

The AAP acknowledges support of NeoPREP from Abbott Nutrition and Mead Johnson Nutrition.

Participants can earn up to 51 AMA PRA Category 1 credits.
