CME

Go 'back to school' this September with two CME courses

Visit the historic cities of Washington, D.C., and Pittsburgh while updating your medical knowledge with two continuing medical education (CME) courses offered in September. Delve into musculoskeletal medicine with the Practical Pediatrics (PPC) CME course in Pittsburgh, or

explore a comprehensive review of pediatrics in Washington, D.C., with PREP: The Course.

Each course features lectures by expert faculty, question-and-answer sessions, and interactive, case-based discussions designed to communicate the latest in pediatric medicine. Both courses also provide free time to enjoy the host cities.

PPC Musculoskeletal Medicine, co-sponsored by the AAP Section on Orthopaedics, AAP Section on Rheumatology and the AAP Council on Sports Medicine and Fitness, will be held over Labor Day weekend (Sept. 3-5) at the Renaissance Washington, D.C., Hotel.

Course highlights and faculty include:

- "Casting and Splinting," with Laurel C. Blakemore, M.D., FAAOS;
- "Spine Examination and Case Studies," with Andrew J.M. Gregory, M.D., FACSM, FAAP;
- "Upper Extremity Examination and Case Studies," with Chris Koutures, M.D., FAAP;
- "Approach to Child with Acutely and Chronically Swollen Joints," with Barbara E. Ostrov, M.D., FAAP; and
- "DDH: Update on AAP Guidelines on Screening and Management," with Brian A. Shaw, M.D., FAAOS, FAAP.

PPC is supported in part by a grant from Abbott Nutrition.

PREP: The Course, Sept. 11-15, at the Hilton Pittsburgh offers up-to-date information on an extensive range of topics, as well as exam preparation for Maintenance of Certification (MOC).

Course highlights and faculty include:

- "Allergy & Immunology," with David Naimi, D.O.;
- "Dermatology," with Richard J. Antaya, M.D., FAAD, FAAP;
- "Endocrinology," with Jill Simmons, M.D., FAAP;
- "Fetus & Newborn Infant," with Robert Insoft, M.D., FAAP;
- "Gastrointestinal Disorders," with Stephen Borowitz, M.D., FAAP;
- "Genetics & Dysmorphology," with Tyler Reimschisel, M.D.;
- "Neurology," with Linda Lauz, M.D.; and

Earn a maximum of 17.25 AMA PRA Category 1 Credits for PPC Musculoskeletal Medicine and 37.25 AMA PRA Category 1 Credits for PREP: The Course.
