Practical Pediatrics visits Disneyland in December

The holidays are just around the corner, and few places capture the spirit of the season as well as Walt Disney's original playground — Disneyland. Celebrate the holiday season while attending the last continuing medical education (CME) course of 2011.

Learn more about issues in everyday practice at Practical Pediatrics Dec. 9-11 at the Anaheim Marriott in Anaheim, Calif. The course offers lectures, seminars and question-and-answer sessions on topics such as adolescent health, allergy and immunology, dermatology, endocrinology, infectious diseases and orthopedics.

While you're there, explore Disneyland, other renowned theme parks, beaches, hiking/biking, the entertainment scene and ideal weather.

Course highlights and faculty include:

- "Approach to Eating Disorders in Adolescents," with Paula K. Braverman, M.D., FAAP, professor of clinical pediatrics, University of Cincinnati College of Medicine, Cincinnati Children's Hospital Medical Center, Cincinnati;
- "What to Expect in the 2012 *Red Book*," with David W. Kimberlin, M.D., FAAP, professor of pediatrics, University of Alabama at Birmingham;
- "Interactive Cases in Allergy and Immunology," with Mitchell R. Lester, M.D., FAAAAI, FAAP, Fairfield County Allergy, Asthma, and Immunology Associates, Norwalk, Conn.;

- "Motivational Interviewing (Patient-Centered Communication) as an Approach to Childhood Obesity," with Robert P. Schwartz, M.D., FAAP, professor of pediatrics, Wake Forest University School of Medicine, Winston-Salem, N.C.;
- "Normal and Abnormal Gait in Children: Clinical Assessment," with Kit M. Song, M.D., M.H.A., FAAOS, associate professor of orthopedic surgery, University of Washington School of Medicine, Seattle; and
- "Look-Alikes and Controversies in Pediatric Dermatology," with Annette M. Wagner, M.D., FAAD, FAAP, assistant professor of pediatrics and dermatology, Northwestern University Feinberg School of Medicine, Chicago.

Participants can receive a maximum of 17.25 AMA PRA Category 1 credits.
