## Health Alerts

The U.S. Consumer Product Safety Commission (CPSC) has announced the recall of the following products. Consumers should stop using recalled products unless otherwise instructed. Consumers can submit reports of harm to CPSC's new searchable online product safety database at [www.SaferProducts.gov](http://www.SaferProducts.gov). A searchable food and medical product recall database is available at [www.fda.gov/Safety/Recalls/default.htm](http://www.fda.gov/Safety/Recalls/default.htm).

### Bike trailers

**Units:** About 2,700

**Manufacturer:** Weehoo Inc., of Golden, Colo.

**Hazard:** The receiver on the trailer's seat post hitch can crack and cause the trailer to detach, posing fall and crash hazards.

**Description:** 2011 Weehoo iGo bicycle trailers manufactured between April and July 2011 have a steel frame with an adjustable seat for passengers 38 to 52 inches tall, two pedals with straps, an enclosed sprocket and chain, a 20-inch wheel, two pannier pockets, a flagpole and a flag. The seat, pannier pockets and flag are made of red, heavy-duty nylon.

**Sold at:** Bicycle retail stores nationwide from April to July 2011 for about \$390.

**Remedy:** Contact Weehoo for a steel reinforcement sleeve to be installed over the receiver.

**Contact:** Call 800-538-6950 or visit [www.weehoobicycletrailer.com](http://www.weehoobicycletrailer.com).
