The Big Easy, Magic Kingdom play host to PREP meetings

Need to brush up on neonatology or adolescent medicine before your next Maintenance of Certification examination? Head to NeoPREP in New Orleans, Jan. 21-27, at the Sheraton New Orleans Hotel or AM:PREP in Orlando, Feb. 8-11, at Disney's Contemporary Resort for top-notch continuing medical education by expert faculty.

The variety of learning formats includes lectures, mini lectures, group case-based discussions and mock review sessions.

Advanced level course content provided at the seven-day intensive NeoPREP meeting assists pediatricians preparing for the neonatal-perinatal subspecialty examination. Course highlights and faculty include:

- "Conditions Affecting Maternal Health During Pregnancies," with Mildred Ramirez, M.D., FACOG;
- "Assessment of Fetal Well Being," with Sean Blackwell, M.D.;
- "Interpreting Umbilical Cord Blood Gases," with Jeffrey Pomerance, M.D., M.P.H., FAAP;
- "Ethics for the Neonatologist," with Sadath A. Sayeed, M.D., J.D.;
- "Cardiovascular Physiology," with Laurie Armsby, M.D., and Dara Brodsky, M.D., FAAP;
- "Enteral Nutrition for the Very Low Birthweight Infant," with David Adamkin, M.D., FAAP;
- "Necrotizing Enterocolitis," with Michael Caplan, M.D., FAAP; and
- "Neurodevelopmental Outcomes," with Deanne Wilson-Costello, M.D., FAAP.

For those in general practice seeking an update of adolescent medicine and for subspecialists preparing to participate in subspecialty

examinations, AM:PREP offers four days of review tailored to current issues in adolescent health.

Highlights and faculty include:

- "Confidentiality," with Diane M. Straub, M.D.;
- "Medical Complications of Obesity," with Bryan C. Cannon, M.D., FAAP, and Stavra A. Xanthakos, M.D., M.S., FAAP;
- "Adolescent Dermatology Cases," with Daniel P. Krowchuk, M.D., FAAP;
- "Polycystic Ovary Syndrome," with Maria E. Trent, M.D., M.P.H., FAAP;
