

## CME

# Plenty to do, see while earning CME in Baltimore

Refresh yourself on topics such as rheumatology, urologic disorders and emergency medicine while exploring Baltimore's inner harbor during PREP The Course at the Hyatt Regency Baltimore, June 23-27.

Expert-led lectures and group sessions cover issues important for practice and help in preparing for the Maintenance of Certification examination. PREP's variety of learning platforms consist of lectures, case presentations, faculty panels, "Hot Topics" discussions and pre/post course self-assessment online.

While in Baltimore, check out popular spots such as the National Aquarium and the American Visionary Art Museum or take a walk through historic neighborhoods like Hampden to experience real Baltimore flavor.

Course highlights and faculty include:

- "General Pediatrics 1," with Waldon Garriss III, M.D., M.S., FACP, FAAP, assistant professor of internal medicine and pediatrics, Vanderbilt Children's Hospital, Nashville, Tenn.;
- "Hematology and Oncology," with Melissa J. Frei-Jones, M.D., MSCI, assistant professor of pediatrics, University of Texas Health Science Center, San Antonio;
- "Fetus & Newborn," with Jayant Shenai, M.D., FAAP, professor of pediatrics, Vanderbilt University School of Medicine, Nashville, Tenn.;
- "Emergency Medicine/Critical Care/Injuries & Poisoning," with Charles Mullett, M.D., associate professor of pediatrics, section chief, pediatric critical care, West Virginia University, Morgantown, W.Va.;

- "Adolescent Health/Gynecology/Substance Abuse," with Chris Ohlemeyer, M.D., associate clinical professor, pediatric staff physician, Habif Health and Wellness Center, Washington University in St. Louis;
- "Rheumatology," with Mara Becker, M.D., MSCE, FAAP, associate professor of pediatrics, University of Missouri at Kansas City, Children's Mercy Hospitals and Clinics, Kansas City, Kan.
- "Developmental/Behavioral Pediatrics," with Persephone Jones, M.D., M.P.H., staff, Nemours/Alfred I. Dupont Hospital for Children, Wilmington, Del.; and
- "Renal & Urologic Disorders/Fluid & Electrolyte Metabolism," with Alia Mirza Onder, M.D., professor of pediatrics, West Virginia University school of Medicine, Morgantown, W.Va.

Participants can receive a maximum of 42 AMA PRA Category 1 credits. For early bird rates, register by May 27.

— Hilary Rasch
