

CME

See sights of San Diego while reviewing for exams

Brush up on subjects ranging from endocrinology to adolescent health

before your next Maintenance of Certification examination at PREP The Course in San Diego, Sept. 15-19, at The Westin Gaslamp Quarter.

A variety of learning platforms are available, including lectures, faculty panels, case presentations, “hot topics” and pre/post course online self-assessments. Expert-led lectures will focus on subjects such as dermatology, rheumatology, oncology and immunology.

While in San Diego, visit Balboa Park to explore the walking paths, gardens and natural vegetation green belts of one of the oldest parks in the United States. In addition to its scenic beauty, the park contains a number of attractions, including the famous San Diego Zoo.

Course highlights and faculty include:

- “Gastrointestinal Disorders,” with Marsha Kay, M.D., FAAP, professor of pediatrics, director of pediatric endoscopy, Department of Pediatric Gastroenterology and Nutrition, Cleveland Clinic Foundation, Cleveland;
- “Genetics,” with Jonathan Picker, M.B., Ch.B., Ph.D., clinical geneticist, Children’s Hospital Boston;
- “Renal & Urologic Disorders/Fluid & Electrolyte Metabolism,” with John Mahan, M.D., FAAP, professor of pediatric nephrology, vice chair, pediatrics, Ohio State University College of Medicine, Columbus, Ohio;
- “Sports Medicine,” with Shane Miller, M.D., assistant professor of orthopedics and pediatrics, University of Texas Southwestern Medical Center and Children’s Medical Center of Dallas;

- “Hematology & Oncology,” with Shannon Carpenter, M.D., M.S., FAAP, professor of pediatrics, University of Missouri, Kansas City;
- “Adolescent Health/Gynecology/Substance Abuse I,” with Maria Trent, M.D., M.P.H., FSAM, FAAP, professor of pediatrics, Johns Hopkins School of Medicine, Baltimore;
- “Fetus & Newborn,” with Jayant Shenai, M.D., FAAP, professor of pediatrics, Vanderbilt University School of Medicine, Nashville, Tenn.; and
- “Endocrinology,” with Stephen Rosenthal, M.D., professor of pediatrics, associate program director, pediatric endocrinology director, Pediatric Endocrine Outpatient Services, University of California, San Francisco.

Participants can receive a maximum of 42 AMA PRA Category 1 credits. For early bird rates, register by Aug. 12.

Support for the course is provided, in part, by Abbott Nutrition.

— Hilary Rasch
