

## CME

### Explore Marco Island while brushing up on pediatric topics

Combine continuing medical education and a relaxing beach vacation on the largest of Florida's scenic Ten Thousand Islands at Practical Pediatrics on Marco Island Nov. 9-11. Hosted at the Marco Island Marriott Beach Resort, Golf Club & Spa, the course includes lectures, interactive seminars, and question-and-answer sessions delivered by premier faculty.

Concurrent seminars focus on developmental/behavioral pediatrics, gastroenterology, general pediatrics, infectious diseases, orthopedics and ophthalmology.

While brushing up on pediatrics, get some exercise playing golf or tennis at the hotel and don't miss the beach. Just south of Marco Island, the Everglades National Park offers views of the largest subtropical wilderness in the United States.

Course highlights and faculty include:

- "Early Infant Nutrition," with Howard Bauchner, M.D., FRCPC, FAAP, editor-in-chief, *JAMA* and Scientific Publications and Multimedia Applications, Chicago;
- "Vision Screening Strategies in the Medical Home for the 21st Century" and "Strabismus and Amblyopia in Infants and Young Children," with Geoffrey E. Bradford, M.D., FAAP, professor of ophthalmology and pediatrics, West Virginia University, Morgantown, W.Va.;
- "Common GI Problems" and "Celiac Disease: We Keep Missing It!" with Carlo DiLorenzo, M.D., chief, Division of Pediatric Gastroenterology, Hepatology and Nutrition, Nationwide Children's Hospital, Columbus, Ohio;

- "Vaccine Safety, Refusal and Ethical Concerns" and "ID Cases: Unknowns," with Kathleen Gutierrez, M.D., FAAP, professor of pediatrics/infectious disease, Stanford University School of Medicine, Lucile Packard Children's Hospital, Palo Alto, Calif.;
- "Update on Autistic Spectrum Disorders: How the Proposed Changes in DSM-V Will Impact Your Practice" and "The ABC's of ASD's: A Case Management Approach to Identifying and Managing Children with Autistic Spectrum Disorders," with Andrew M. Morgan, M.D., FAAP, professor of clinical pediatrics, University of Illinois, College of Medicine at Peoria, Peoria, Ill.; and
- "Spinal Deformity in Children and Adolescents: Screening and When to Refer" and "The Pediatric Lower Extremity Exam," with Brian A. Shaw, M.D., FAAOS, FAAP, professor of orthopedic surgery, University of Colorado, Denver.

Participants can receive a maximum of 17.25 AMA PRA Category 1 credits. For early bird rates, register by Oct. 10.
