The U.S. Consumer Product Safety Commission (CPSC) has announced the recall of the following products. Consumers should stop using recalled products unless otherwise instructed. Consumers can submit reports of harm to CPSC's new searchable online product safety database at www.SaferProducts.gov. A searchable food and medical product recall database is available at www.fda.gov/Safety/Recalls/default.htm.

Light up frogs, ducks

Units: About 30,000

Hazard: The metal pin on the bottom of the toys can come out, and children can choke on it.

Description: The soft plastic toy frogs and ducks light up when the sensors on the bottom are touched or placed in water. The frog is green and the ducks come in yellow, pink and clear.

Sold exclusively at: Cost Plus World Market from July to December 2012 for about \$3.

Remedy: Return toys to the store where purchased for a refund.

Contact: Call 800-356-0474 or visit www.toysmith.com.
