

CME

CME paradise: Brush up on sports medicine, dermatology, allergy

Looking to warm up this February? Escape to Nassau, The Bahamas, Feb. 21-23, for refreshing tropical breezes and learning opportunities that will equip you to improve quality in your daily practice.

Attend half-day sessions at Practical Pediatrics and then explore the Atlantis Paradise Island Resort and Casino. The beautiful Bahaman island has beaches, water parks, snorkeling, dolphins, excursions, shopping and historic sites.

Practical Pediatrics features nationally prominent faculty and current issues in pediatrics. Lectures, interactive seminars and question-and-answer sessions offer the opportunity to interact with expert faculty to solve practice issues.

Course highlights and faculty include:

- “What Determines Asthma Control?” “Interpreting Allergy Tests,” “Drug Allergy (and Drug Allergy Not)” and “Food Allergy: Is It Something He’s Eating?” with John M. Kelso, M.D., FAAP;
- “Life-threatening Pediatric Dermatoses,” “Acne Update,” “Skin Manifestations of Collagen Vascular Disorders” and “Hemangiomas and Vascular Malformations,” with Patricia Anne Treadwell, M.D., FAAP;
- “Hot Topics in ID,” “Bone and Joint Infections: New Guidelines for Management,” “Diagnosis, Management and Prevention of Lyme Disease in Children,” and “Immunization Update,” with Penelope H. Dennehy, M.D., FAAP;

- “Chronic Abdominal Pain in Childhood: Who Suffers Most, the Patient or Physician?” “Common GI Problems in Childhood,” “Recurrent Vomiting in Children: It is Not All Reflux,” and “Celiac Disease and Beyond: The Spectrum of Gluten Related Disorders,” with Ivor D. Hill, M.B., Ch.B., M.D., FAAP;
- “Setting Things Straight with Strabismus: Understanding Strabismus, Amblyopia and the Meaning of ‘Lazy Eye,’” “When You’re ‘Seeing Red’: Recognizing the ‘Routine’ Pediatric Red Eye vs. an Ocular Emergency,” and “Direct Ophthalmoscopy for the Pediatrician: How to Use One of the Most Powerful Instruments in Your Office,” with Steven J. Lichtenstein, M.D., FAAP, FAAO, FAAP; and
- “Overuse Injuries and Return to Play,” “Musculoskeletal Physical Examination,” “Update on Orthopedic Aspects of Child Abuse,” “Orthopedic Issues for Special Needs Children” and “Musculoskeletal Physical Examination,” with William A. Phillips, M.D., FAAP.

Earn up to 17.25 AMA PRA Category 1 credits. Register by Jan. 24 for early bird rates.
