The U.S. Consumer Product Safety Commission (CPSC) has announced the recall of the following products. Consumers should stop using recalled products unless otherwise instructed. Consumers can submit reports of harm to CPSC's new searchable online product safety database at www.SaferProducts.gov. A searchable food and medical product recall database is available at www.fda.gov/Safety/Recalls/default.htm.

Flatware for babies

Units: About 4,000

Hazard: Pink epoxy can come off the forks and spoons, and children can swallow or chock on the epoxy.

Description: Infant flatware from the Gingham Bunny Flatware Collection is sold as an infant feeding spoon alone, in a fork and spoon set, and in a three-piece set including the infant feeding spoon with a bowl and bib. The silver-colored, nickel-plated flatware features a bunny at the end of the handle with pink coloring on its ears.

Sold at: Reed and Barton factory stores and various gift shops nationwide, and online at www.reedandbarton.com from September 2012 through January 2013 for \$15 to \$40.

Remedy: Contact Reed and Barton for a refund or free replacement flatware.

Contact: Call 800-343-1383 or visit www.reedandbarton.com.
