The U.S. Consumer Product Safety Commission (CPSC) has announced the recall of the following products. Consumers should stop using recalled products unless otherwise instructed. Consumers can submit reports of harm to CPSC's new searchable online product safety database at www.SaferProducts.gov. A searchable food and medical product recall database is available at www.fda.gov/Safety/Recalls/default.htm.

Easter egg toys

Units: About 1,000

Hazard: The toy's music is so loud that it can cause hearing damage.

Description: The recalled toy is a yellow chick in a furry multi-colored Easter egg shell that has a shell top with bunny ears and bright orange feet and nose. The chick plays music and dances when the left wing is squeezed. The sewn-on label reads, "DanDee Collector's Choice" and lists the manufacture date and batch number: 11/2012 120613670.

Sold at: Fred Meyer stores in Oregon, Washington, Idaho and Alaska from February to March 2013 for about \$20.

Remedy: Return toys to the store where purchased for a refund.

Contact: Call 888-247-4439 or visit www.fredmeyer.com.
