Atlanta plays host to intensive developmental, behavioral review

Looking to freshen up on developmental and behavior pediatrics knowledge? Head to Atlanta Jan. 29-Feb. 2 for DB:PREP at the Weston Buckhead Atlanta.

Atlanta has plenty to see and do, including the Georgia Aquarium, Atlanta History Museum, Piedmont Park, Legoland, shopping and fine dining.

DB:PREP will offer a comprehensive review for Maintenance of Certification examinations as well as updates in developmental and behavioral pediatrics for office-based clinicians and subspecialists. A keynote lecture by Robert Anda, M.D., M.S., will address “Poverty, Social Determinants and Disparities.”

Course highlights and faculty include:

- “Diagnosis and Management of Mood Disorders and Suicidal Behaviors,” with Adelaide S. Robb, M.D., of Children’s National Medical Center;
- “Practical Approaches to Managing ADHD,” with Doris M. Greenberg, M.D., FAAP, of Mercer University School of Medicine;
- “Gender Atypical Behaviors and Sexuality,” with Ellen C. Perrin, M.D., M.A., FAAP, of Tufts Medical Center;
- “ADHD: Lifespan Issues,” with Eugenia Chan, M.D., M.P.H., FAAP, of Boston Children’s Hospital/PedsAM;
- “Evidence-Based Approaches to Managing Speech and Language Disorders,” with Heidi M. Feldman, M.D., Ph.D., FAAP, of Stanford School of Medicine;
- “Coding for the Developmental Behavioral Subspecialist” and “Coding for the Primary Care Physician,” with Lynn Mowbray

Wegner, M.D., FAAP, of the University of North Carolina School of Medicine;

- “Assessment of Emotional/Behavioral Problems,” with Robert D. Needlman, M.D., FAAP, of Metro Health Medical Center;
- “Living with Chronic Illness/Medical Home Issues of Regulation: Elimination Disorders,” with Robin Krause Blitz, M.D., FAAP, of Phoenix Children’s Hospital;
- “Sensory Impairments,” with Stephen H. Contompasis, M.D., FAAP, of the University of Vermont;
- “Management of Adaptive Equipment and Therapies for Physical Disabilities,” with Sydney Anne Rice, M.D., M.S., FAAP, of University of Arizona;
- “Medical Genetics: Clinical Aspects,” with Tamison Jewett, M.D., FAAP, of Wake Forest University;
- “Test-Your-Knowledge for the Boards Part I,” with Viren Andrew D’Sa, M.D., FAAP, of Warren Alpert Medical School of Brown University; and
- “Test-Your-Knowledge for the Boards Part II,” with R. Franklin Trimm III, M.D., FAAP, of University of South Alabama/Pediatrics.

Participants can earn a maximum of 36 AMA PRA Category 1 credits.
