

CME

Winter outdoor enthusiasts: Earn CME in Lake Tahoe

Seeking a ski getaway early next year? Take a break from your practice while learning from top faculty about infectious diseases, ophthalmology, orthopedics, urology, emergency medicine and endocrinology.

The Practical Pediatrics Course in Lake Tahoe, Jan. 29-Feb. 1, at the Resort at Squaw Creek, Olympic Valley, Calif., has plenty to keep you and your family active.

Educational styles include a combination of lectures, interactive seminars, and question-and-answer sessions that allow attendees to interact with faculty.

Highlights include:

- “Direct Ophthalmoscopy for the Pediatrician: How to Use One of the Most Powerful Instruments in Your Office” and “Setting Things Straight with Strabismus: Understanding Strabismus, Amblyopia and the Meaning of ‘Lazy Eye,’” with Steven J. Lichtenstein, M.D., FACS, FAAO, FAAP, of University of Illinois College of Medicine and Children’s Hospital of Illinois;
- “Thyroid Disease in Childhood and Adolescence” and “Type 2 Diabetes in Children Is Often Difficult to Differentiate from Type 1 Diabetes: Treatment Is Quite Different,” with Dennis Styne, M.D., FAAP, of University of California, Davis Medical Center;
- “Circumcision in the 21st Century — Indications and Complications,” “The Acute Pediatric Scrotum: Groans from the Groin” and “Urinary Tract Infections and Reflux — What’s New?” with Michael Keating, M.D., FAAP, of University of Central Florida School of Medicine and Florida Hospital for Children;

- “Abdominal Emergencies: Recognition and Management of 4 Common Abdominal Complaints,” “Pediatric Sedation and Analgesia in the Office” and “Approach to the Child with Altered Mental Status,” with Joan E. Shook, M.D., M.B.A., FACEP, FAAP, of Baylor College of Medicine;
- “Acute Gastroenteritis in the Post Rotavirus Vaccine Era” and “Bats, Bites and Needle Sticks: What Should You Do Next?” with Penelope H. Dennehy, M.D., FPIDS, FAAP, of Brown University’s Alpert Medical School and Hasbro Children’s Hospital; and
- “Children’s Fractures and Related Acute Conditions” and “Ankle Injuries in Children and Adolescents,” with Brian A. Shaw, M.D., FAAOS, FAAP, of University of Colorado School of Medicine, Children’s Hospital Colorado and Memorial Hospital.

Participants can earn up to 17.25 hours of AMA PRA Category 1 credit. The Self-Assessment portion of this course is approved through the AAP Maintenance of Certification Portfolio Program for 10 points by the American Board of Pediatrics.
