

CME

Choose Memorial Day weekend getaway with CME in NYC, Hilton Head

Whether you love big-city excitement or prefer a relaxing getaway by the beach, you can find it at continuing medical education courses (CME) offered over Memorial Day weekend. Join colleagues May 23-25 for half-day learning sessions in New York City or Hilton Head Island, S.C., to explore the latest advances to improve your practice.

Venture to the Big Apple for Practical Pediatrics at the Millennium Broadway Hotel in New York City. The meeting is held during Fleet Week, a tribute to armed forces servicemen and women that features military demonstrations and displays, public tours of ships and a Memorial Day ceremony.

CME session highlights and faculty include:

- “Bullying and Ostracism: Prevention and Intervention,” with Michelle M. Macias, M.D., FAAP, of the Medical University of South Carolina Children’s Hospital;
- “New Antibiotics/Guidelines,” with Morven S. Edwards, M.D., FAAP, of Texas Children’s Hospital/Baylor College of Medicine;
- “Not Everything That Shakes is a Seizure,” with Paul G. Fisher, M.D., FAAP, of Stanford University Medical Center;
- “Traveling the Developmental Highway for Sports Skill Acquisition,” with Paul R. Stricker, M.D., FAAP, of Scripps Clinic Sports Medicine;
- “Childhood Obesity and the Metabolic Syndrome: Etiology, Evaluation and Management,” with Robert P. Schwartz, M.D., FAAP, of Wake Forest University School of Medicine; and

- “Medical Imaging Options and Choices for Common Pediatric Disorders,” with William E. Shiels II, D.O., of Nationwide Children’s Hospital.

Practical Pediatrics at the Hilton Head Island Marriott includes the following faculty and highlights:

- “Rational Approaches to Topical Therapies for Skin Diseases,” with Albert C. Yan, M.D., FAAD, FAAP, of University of Pennsylvania School of Medicine;
- “*DSM 5*: What Pediatricians Need to Know,” with Joseph V. Penn, M.D., CCHP, FAPA, of University of Texas;
- “Pertussis or Still Coughing After All These Months!” with Leonard R. Krilov, M.D., FAAP, of State University of New York Stony Brook;
- “Obesity and Musculoskeletal Problems in Children,” with Susan A. Scherl, M.D., FAAOS, FAAP, University of Nebraska; and
- “Evaluation of the Developmentally Delayed Child: The Genetic Approach,” with Tamison Jewett, M.D., FAAP, of Wake Forest University.

Participants can earn a maximum of 17.25 AMA PRA Category 1 credits for either course. Register by April 25 for early bird rates.
