The U.S. Consumer Product Safety Commission (CPSC) has announced the recall of the following products. Consumers should stop using recalled products unless otherwise instructed. Consumers can submit reports of harm to CPSC's new searchable online product safety database at www.SaferProducts.gov. A searchable food and medical product recall database is available at www.fda.gov/Safety/Recalls/default.htm.

Cork block toys

Units: About 720 sets

Hazard: Small pieces of cork can break off the blocks. Children can choke on the pieces.

Description: The stacking toy has three different sizes of square cork blocks. The blocks have black dots on the top.

Sold exclusively by: StorkStack.com during January 2014 as part of the January Stork Stack subscription for about \$30 for a total of five products.

Remedy: Return the toys for a merchandise credit.

Contact: Call 877-394-7774 or visit www.aharvestcompany.com.
