

CME

Capitalize on pediatric emergency medicine knowledge in Washington, D.C.

Looking for the most comprehensive course in pediatric emergency medicine to help you prepare for clinical practice and examinations? Join PREP:EM Aug. 2-6 at the Renaissance Washington, D.C. Downtown Hotel.

PREP:EM content is geared toward emergency medicine physicians, general pediatricians, allied health professionals and those preparing for board certification or Maintenance of Certification in pediatric emergency medicine. Each day's topics focus on specific themes: general emergencies, trauma and subspecialty emergencies.

Highlights and faculty include:

- “Disaster Preparedness,” with Joseph L. Wright, M.D., M.P.H., FAAP, of Children’s National Medical Center;
- “Pediatric and Neonatal Resuscitation” and “Non-traumatic Abdominal Emergencies,” with Robert W. Hickey, M.D., FAHA, FAAP, of University of Pittsburgh School of Medicine;
- “Visual Diagnosis I” and “Upper Airway Obstruction,” with M. Douglas Baker, M.D., of Johns Hopkins University School of Medicine;
- “Medicolegal Issues” and “Ophthalmology Emergencies,” with Steven M. Selbst, M.D., FAAP, of A.I. duPont Hospital for Children;
- “Altered Mental Status” and “Chest Trauma,” with Andrea T. Cruz, M.D., M.P.H., of Baylor College of Medicine;
- “Toxicology I” and “Visual Diagnosis II,” with Milton Tenenbein, M.D., FRCPC, FAACP, FACMT, FAAP, of University of Manitoba;
- “Lower Airway Emergencies” and “Burn Injuries,” with Richard Scarfone, M.D., FAAP, of Perelman School of Medicine at the University of Pennsylvania;
- “Fluid and Electrolytes” and “Head Trauma,” with Mark Joffe, M.D., FAAP, of the University of Pennsylvania School of Medicine;

- “Upper Orthopedic Trauma” and “Lower Orthopedic Trauma,” with Gary L. Geis, M.D., of Cincinnati Children’s Hospital Medical Center;
- “Abdominal Trauma” and “Sedation,” with Michele Holloway-Nichols, M.D., of the University of Alabama at Birmingham;
- “Oral, Maxillofacial and Dental Trauma” and “Cardiac Emergencies,” with Brianna Enriquez, M.D., FAAP, of Seattle Children’s Hospital, University of Washington;
- “Hematology Emergencies,” “Genitourinary Emergencies” and “Endocrinology Emergencies,” with Joshua Nagler, M.D., M.H.Ped., FAAP, of Boston Children’s Hospital and Harvard Medical School;
