## CME

## Win big with AAP CME in fabulous Las Vegas

Looking for a fun escape with a heaping side of continuing medical education? Meet up with friends Aug. 29-31 for Practical Pediatrics at the Bellagio on the Las Vegas Strip.

The course combines lectures, interactive seminars and question-and-answer sessions to help update your knowledge of clinical issues. Learn about hot topics and advances to improve your ability to diagnose and manage patients. Plenty of time is available for case discussions with faculty and peers.

The half-day session format allows for sightseeing, shows, shopping and exploring casinos and the many museums, including a museum of organized crime and law enforcement, a Titanic exhibition, a nuclear testing museum and more.

Course highlights and faculty include:

- “Asthma Pop Quiz,” “Allergy Myth Busters,” “The ABCD’s of Vitamin D in Allergic Disease” and “Which, What, Who? Making Sense of Allergy Tests,” with Angela Duff Hogan, M.D., FAAP, of Children’s Hospital of The King’s Daughters;
- “Hip and Knee Exam,” “DDH Screening,” “Fractures Not to Miss” and “Scoliosis Screening,” with Brian Anthony Shaw, M.D., FAAOS, FAAP, of Children’s Hospital Colorado;
- “Common GI Problems,” “Do We Know What to Do With the Child With Functional Abdominal Pain?” “Constipation and Encopresis: So Simple and Yet So Frustrating!” and “GI Co-morbidities of Obesity,” with Carlo DiLorenzo, M.D., of Nationwide Children’s Hospital;

- “The Differential Diagnosis of Attention Problems: Thinking Outside the ADHD Box,” “Bullies: Changing the Paradigm: Workshop on Teaching Children How Not to be Victims,” “Children of Divorce” and “Pharmacology of ADHD,” with Doris M. Greenberg, M.D., FAAP, of Mercer University School of Medicine;
- “Upper Airway Distress: It Can Be Frightening,” “Pediatric Head Injury: What’s New and What to Do About It,” “Apparent Life-threatening Event” and “Febrile Seizures: What’s New?” with Joan E. Shook, M.D., M.B.A., FAAP, of Texas Children’s Hospital/Baylor College of Medicine; and
- “Eczema: Overcoming Barriers to Effective Management,” “Birthmark Bingo!” “Light and Dark: an Approach to Pigmentary Disorders of the Skin” and “Stop Bugging Me! Common Cutaneous Infections and How to Manage Them,” with Miriam G. Weinstein, M.D., FAAP, of Hospital for Sick Children.

Participants can earn a maximum of 17.25 AMA PRA Category 1 credits. Register by Aug. 1 for early bird rates.
