

Health Alerts

The U.S. Consumer Product Safety Commission (CPSC) has announced the recall of the following products. Consumers should stop using recalled products unless otherwise instructed. Consumers can submit reports of harm to CPSC's new searchable online product safety database at www.SaferProducts.gov. A searchable food and medical product recall database is available at www.fda.gov/Safety/Recalls/default.htm.

Building blocks

Units: About 2,000

Hazard: The base of the animal figures can come off, and children can choke on it.

Description: The Bristle Builders for Toddlers sets were sold with 52 plastic pieces. The animal figures include a yellow duck with a purple base, a brown horse with a blue base and a pink pig with a green base. The building pieces include circles, rectangles, squares and triangles in different colors with a green base. Pieces are covered with plastic bristle pegs, which allow all the pieces to connect. EC559597 is printed on one side of the green baseplate.

Sold exclusively at: Lakeshore retail stores, Lakeshore Learning Materials' Early Childhood catalog and at www.lakeshorelearning.com from December 2013 to April 2014 for about \$30.

Remedy: Take the three animal figures away from children and contact the company for a replacement set of animal figures.

Contact: Call 800-428-4414 or visit www.lakeshorelearning.com.
