

CME

Pediatric seminars will top the charts at Nashville resort in December

The Gaylord Opryland Resort will host an AAP Practical Pediatrics continuing medical education (CME) course Dec. 11-13 in Nashville.

Half-day sessions will cover allergy and immunology, gastroenterology, infectious diseases, neurology, orthopedics and psychiatry. The course offers ample time to explore the city's music scene and other attractions.

Courses and faculty include:

- "Handling Headaches in Your Office (so they don't become one!)," "Seizure Management: Drugs, Diet, Electricity and Surgery: How to Choose?" and "Dietary Treatment for Epilepsy: More Fat for Fewer Seizures," with Eric H.W. Kossoff, M.D., FAAN;
- "Psychopharmacology for the Primary Care Provider," "Treatment for Anxiety and Depression: What You Can Do!" and "ADHD: Update on Recent Developments," with Christopher K. Varley, M.D., FAACAP;
- "Food Allergies: The Blue Plate Special," "Considering Chronic Cough in Children" and "Managing Acute Asthma in the Office," with Angela Hogan, M.D., FAAAAI, FACAAL, FAAP;
- "Celiac Disease," "GER/GERD," "Encopresis and Constipation" and "A Team-Based Approach to Metabolic Syndrome," with Daniel L. Preud'Homme, M.D., CNS, FAAP;

- "Kids Hips: Recurrent Themes and Some Really New Stuff!" "Finding Scoliosis: Should We Worry About Small Curves?" "Fractures You Should Not Miss: Frequent Growth Plate Masquerades!" and "The Malaligned Patella: Structural Causes of Anterior Knee Complaints," with Keith R. Gabriel, M.D., FAAOS, FAAP; and

- "Recognizing Kawasaki Disease," "Red Book Update 2016," "Clostridium Difficile" and "Do You Have a Minute? ID Curbside Consultations," with Mary Anne Jackson, M.D., FIDSA, FAAP.

Register by Nov. 11 for early bird rates. The deadline for reservations for special group rates at Gaylord Opryland is Nov. 13, but rooms could sell out earlier.

Earn up to 17.25 AMA PRA Category 1 credits. A self-assessment portion of the course is approved for 10 points of Maintenance of Certification Part 2 credit by the American Board of Pediatrics. Participants must take a pre-test, attend the live activity and complete a post-test.
