Furniture restraint strap

Units: About 18,000

Hazard: The plastic restraint strap used to attach armoires, combos, dressers and hutches to a wall can break and allow the unit to tip over onto children.

Description: Pali Design armoires, combos, dressers and hutches were sold separately or in the following collections: Karla, Mantova, Milano, Salerno, Volterra, Wendy and West Point. The recall also includes a separate bookcase/hutch available in finishes to match the collections. The recalled furniture was manufactured from January 2006 to September 2010.

The model number, product name and manufacture date are printed on a white sticker on the back of the units. Model numbers and product names are available at <http://1.usa.gov/1Hb1vRd>.

Sold at: Independent specialty stores nationwide, at Pequeno Angelito in San Juan, Puerto Rico, and online for \$420 to \$750. The Karla collection was sold exclusively at Babies "R" Us stores.

Remedy: Place furniture out of the reach of young children and contact Pali Design for a retrofit kit with redesigned restraint straps, mounting hardware and installation instructions.

Contact: Call 866-840-4140, email customerservice@pali-design.com or visit www.pali-design.com.
