Health Alerts

The U.S. Consumer Product Safety Commission (CPSC) has announced the recall of the following products. Consumers should stop using recalled products unless otherwise instructed. Consumers can submit reports of harm to CPSC’s searchable online product safety database at www.SaferProducts.gov. A searchable food and medical product recall database is available at www.fda.gov/Safety/Recalls/default.htm.

Vitamin containers

Units: About 17,000

Hazard: The packaging is not child-resistant. Tablets contain iron, which can cause serious injury or death to young children if multiple tablets are swallowed.

Description: Well at Walgreens multivitamin women 50+ tablet bottles contain 200 multivitamin tablets. UPC number 3-11917-17262-0 and one of the following lot numbers 000001 (EXP 9/2016), 000002 (EXP 12/2016) or 000003 (EXP 11/2016) are printed on the back of the bottles.

Sold exclusively at: Walgreens drugstores nationwide from January through March 2015 for about $16.

Remedy: Contact International Vitamin Corp. for a child-resistant cap.

Contact: Call 866-927-5470 or visit www.ivcinc.com.
