The U.S. Consumer Product Safety Commission (CPSC) has announced the recall of the following products. Consumers should stop using recalled products unless otherwise instructed. Consumers can submit reports of harm to CPSC's searchable online product safety database at www.SaferProducts.gov. A searchable food and medical product recall database is available at www.fda.gov/Safety/Recalls/default.htm.

**Digger toy**

Units: About 7,000  

Hazard: The red paint on the Little Digger toy frame contains excessive levels of lead, which is hazardous to children.  

Description: Wel-Bilt brand Little Digger is a stationary scooper toy with moveable poles that allow the child to scoop items up into the bucket. It has a manufacture date of August 2014 through June 2015, which is written on a label on the bucket.  

Remedy: Contact the firm for a refund.
