General Announcements

Learn About Child Abuse and Earn Continuing Education Credit at your own pace. Two self-instructed tests on diagnosis and management of abuse, utilizing color photographs of actual cases, are available: on physical abuse and one on sexual abuse. Designed for practicing physicians and nurses, each test is processing fee for credit teaching. To order, send to American Academy of Pediatrics, 1400 Northscot Rd., Itasca, IL 60143-1855. For more information, contact: 1-800-372-9423.

Medical Meetings

Annual Winter Meeting, Chapter 1, "Children At Risk" will meet on December 2, 1989, in San Francisco, CA, and on December 12, 1989, in Beverly Hills, Chapter Administrator, 13555 San Vicente Blvd., Beverly Hills, CA 90210; phone, (213) 469-4775.

Randomized Controlled Trials in Neonatology: Neonatal Research & Development and Clinical Trials Training Program. Contact: Dr. David H. Eisenberg, Kaiser Permanente Medical Center, Oakland, CA 94612; or call, (415) 446-4775.

Neonatologist: The Department of Pediatrics at Saint Luke's Hospital at Kansas City is seeking an additional Neonatologist to complement the existing 12 physicians. Opportunities are available in a new four-year Neonatology training program, good extramural funding, and an excellent support system with significant expansion. Two distinct positions exist: (1) a clinical position at one of the three premier regional neonatal intensive care units which have already full-time Neonatal Intensive Care (NICU) fellowship trained academic neonatologists at one of two state-of-the-art NICUs (NICU or NICU at the Children's Hospital at Hannibal Regional Medical Center) and (2) a faculty position at the Children's Hospital at Hannibal Regional Medical Center) which will involve teaching, research and patient care. For more information, contact: Dr. Mark A. Broome, M.D., Director of Neonatal Services, 2900 Westport Rd., Kansas City, MO 64108; or Dr. William R. Cutler, M.D., President, 3601 Rock River Dr., Kansas City, MO 64119.
