Physician Placement Services available to Academy Members

The Department of Membership is pleased to announce the implementation of a new program offering physician placement services to Academy members, effective July 1st. Developed in collaboration with Weatherby HealthCare, Academy members seeking employment opportunities or recruiting for positions in their practices may take advantage of this member benefit program.

Physician placement services have been developed in response to a Resolution approved at the 1992 Annual Chapter Forum. Three tiers of service will be offered:

- Services to place individuals seeking employment opportunities
- A "mid-level" service through which hiring groups may list job vacancies in a monthly job bulletin, PEDIATRIC PRESS, which is sent to applicants seeking employment
- Comprehensive recruitment and placement services for hiring groups seeking to fill vacancies

To register for physician placement services, contact Weatherby HealthCare at 1-800-265-5603 and ask to speak to a Pediatric Consultant on Staff identify yourself as an Academy member; and give the consultant your membership ID.

NOW, KIDS CAN GROW UP WITH DIMETAPP®.

New Dimetapp® Chewable Tablets

Unsurpassed efficacy and a great grape taste.

Dimetapp stands for a heritage of efficacy and good taste. And, now, that heritage continues in a new form. New Dimetapp Chewable Tablets contain the same ingredients as Dimetapp Elixir to provide unsurpassed cold and allergy relief in a grape-tasting tablet. Each Dimetapp Chewable Tablet contains 1 mg of brompheniramine and 6.25 mg of phenylpropanolamine. And Dimetapp Chewable Tablets were taste tested by children and significantly preferred over grape-tasting Children’s Tylenol® Cold Chewable Tablets.¹

Dimetapp® Elixir: Effective cold relief and a heritage of compliance.

Dimetapp Elixir combines one of the most effective non-prescription antihistamines² with an effective nasal decongestant for cold relief you can trust. Dimetapp relieves sniffing and sneezing while it eases nasal congestion and helps restore freer breathing.

Dimetapp® DM: Cold relief plus cough suppression in a red grape taste.

Dimetapp DM relieves cold symptoms and quiets coughs, too. It contains dextromethorphan, the most recommended non-narcotic cough suppressant.

Recommended Dimetapp for efficacy, trust and compliance in a single word.

TRUST DIMETAPP®

The most recommended antihistamine/decongestant formula for children’s cold and allergy relief.
