**Editor's note:** *The 2018 AAP National Conference & Exhibition will take place from Nov. 2-6 in Orlando.*

Three Florida residency programs will compete for the coveted Meconium Cup during the annual James W. Bass Pediatric Bowl from 12:30-1:30 p.m. Sunday, Nov. 4, in the Chapin Theater of the convention center.

The pediatric trivia contest will be a battle of wits and endurance among residents from Johns Hopkins All Children's Hospital, University of Florida Department of Pediatrics and Holtz Children's Hospital. The competition will be expertly hosted by Michael Cabana, M.D., M.P.H., FAAP, and Allan Schroeder, M.D., FAAP.

"The Pediatric Bowl is so much fun. I am not sure many people realize how inspiring and energizing it really is!" said Cassandra Pruitt, a member of the National Conference Planning Group.

Don't miss the chance to be entertained, educated and enthralled by questions covering everything you thought you'd never need to know about pediatrics.
