

[The following pages show sample content for a typical supplement as it might be submitted to Pediatrics. The entire submission will have a single manuscript number, but will contain multiple files and articles as noted below.]

Text documents may be .doc, .docx, .rtf, or .txt files.

For figures and tables, the following file types are acceptable: .tiff, .pdf, eps., or .png. Color files must be in CMYK (cyan, magenta, yellow, black) mode. Please note that we cannot accept Excel (.xls, .xlsx) or Powerpoint (.ppt, .pptx) files.

After you have uploaded all files into the supplement, please use your author center to collate the uploaded files into the order that they should be published. See our Author Guidelines (<http://pediatrics.aappublications.org/site/misc/authorguidelines.xhtml>) for submission instructions if needed.]
